

YESTERDAY'S STOCK and BOND QUOTATIONS

MARKET GOSSIP

(By Johnston and Ward's Special Wire)
MORNING MARKET LETTER

NEW YORK, N. Y., Nov. 26.—The market continued its impressive performance Saturday. There have been no "tricky" moves on the advance yet, it appears to have been the result of the steady selective absorption of stocks at generally higher prices.

Strength today, however, might be sufficient to complete the current step upward in the series.
