

### \$25,000 WAITING FOR OWNER

Cincinnati, Ohio. — Twenty-five thousand dollars is lying in the safe of the German Hospital, awaiting the finding of heirs to the estate of Mrs. Tindel, who died at that institution of apoplexy.

The money was in large bills, concealed in Mrs. Tindel's clothing, and was brought to light, together with her will, after her death.

Apoplexy claims hundreds of victims every year. Yet apoplexy is but an advanced stage of blood poisoning which manifests itself in headaches and backaches. Very frequently the cause is constipation.

Such a case as the above shows the importance of keeping the bowels active, the kidneys regular, the skin healthy, so that the blood will be always pure and rich.

"Fruit-a-tives" — the famous fruit liver tablets — are safe and efficient regulators for stomach, liver, bowels, kidneys and skin.

"Fruit-a-tives" are sold by all dealers at 50c a box, 6 for \$2.50 or trial size, 25c.
