REV. D. MCLEAN will preach (D. V.) in The People's Church on Sabbath at 7 p. m.

REV D McLean will preach (D V) at Belle River on Monday the 25th inst; Murray River Tuesday the 26th; and Murray Harbor Wednesday the 27th at 7.30 p.m.

REV. MR. ROBERSTON will give his last talk of the series on Sunday in the Y.M.C.A., his subject being The Power of a Surrendered Life. No Christian man should miss this, though it will be of interest and help to all men.

THE death of William McGregor Thompson, occurred at the home of his son-in-law, William Stymest of Fairville, N. B., on Wednesday. Mr. Thompson was 89 years of age. He was a tailor by trade, but had been retired for the past 20 years. He was born in Prince Edward Island. Three daughters—Miss Carrie Thompson of St. John, Mrs. William Stymest of Fairville, Mrs. Lewis B. Wood of Glace Bay, and one son William Thompson of Chatham survive him.

THE death took place February 20, at her home Dorchester, N. B. of Mrs. Margaret Blackmore, beloved wife of Alfred Blackmore. She was taken ill Friday with a severe cold which developed into pneumonia, causing her death. Deceased was a native of Prince Edward Island. She is survived by two sons Joseph and Alfred Lee, at home, and one daughter, Mrs. Geo. Kay, of Springhill, N. S. She was a loving wife and faithful mother and will be greatly missed.

MRS M. J. MCLEOD, the bride of the deputy provincial treasurer, held her post-nuptial reception yesterday afternoon in her artistic little home on First street. The drawing-room, where Mrs McLeod received, was daintily decorated with sweet peas and golden daffodils, with daffodil-shaded candelabra. Mrs McLeod in her wedding-gown of soft white Liberty silk and embroidered chiffon, made a charmingly attractive bride, whom her numerous callers were glad to welcome to Edmonton. Mrs E. Bayfield Williams gowned attractively in maize silk, received with Mrs McLeod. In the tea-room Mrs Rutherford and Mrs Hislop presided at the tea-table, which was prettily arranged with white and pink roses and cutglass candlesticks. Miss Helen Woods assisted in serving refreshments. Mrs. McLeod is receiving again this afternoon. The above is from the Edmonton Bulletin. Mr McLeod is a native of this Province and will be remembered by many readers of The Guardian. E. Bayfield and Mrs. Williams are also Islanders who went west last year.

THE Delphic, the organ of Drake University, Des Moines, Iowa, in a recent issue refers in most complimentary terms to Dr. F. O. Norton, son of the late Frederick Norton, of Brudenell River, Prince Edward Island, and brother of Mrs. H. F. Bissett, of Windsor, N.S. 'When the professor of Biblical Greek took charge of his department at the beginning of last term, here were but three handles to his name A. B., A. M., and B. D. He enters upon the work of the second term of the school year as a full fledged Doctor of Philosophy, having passed his final examination at Chicago on the 11th of December, and having received the hood emblematic of his degree at the 61st Convocation of Chicago University on December 18th, 1906. Professor Norton's graduate work was done with the explicit purpose of fitting himself for such a position as he is now filling. Classical Greek was his minor study, and New Testament Greek, his major. The subject of his Thesis was "A Lexicographical and Historical Study, of Diatheke, from the earliest time to the end of the classical period.' The course he pursued is regarded as one of the most difficult that is offered at Chicago. The preparation of the Thesis required his attention for an entire year. That he acquitted himself in all his work with credit, is attested by the fact that a Chicago paper remarks that he won his degree with unusual honor. He was appointed Fellow at the University of Chicago for three years in succession, which is in itself a high recognition. In his capacity as Fellow, and an instructor in the University High School, he made a record which not only made him popular with the student body, but brought him an income that many a college professor would be glad to receive. "Although still a young man, Dr. Norton has a long and worthy record as student and educator. He is a graduate of the Prince of Wales College in Canada, of Kentucky University, of the College of the Bible at Lexington, Kentucky, and of the Graduate School of Chicago University. For several years he was principal of the Academy La Belle, Missouri, later he was professor and acting regent at the Christian University in Canton, Missouri. For the past six years he has served as instructor in the South Side Academy of the University of Chicago and as Fellow in the same University.

Famous Soap makes home happy.

TRAVELLING on the ice is reported good. Yesterday there were a few places where the rain had lodged and not frozen over but the present hard frost will soon freeze the ice solid.

AMONG visitors to Charlottetown yesterday was John S. Nicholson, of Mt. Buchanan. He drove from his home, across Hillsborough Bay on the ice as far as the Hazard property at Bellvue, and found the travelling to be fairly good, with the exception of a few places where there was deep water upon the ice from the recent rain and not frozen over. These "ponds" were the only drawback, but the rapidly increasing cold weather should make them solid today. Mr. Nicholson brought in a load of pork, which he disposed of for 8¾ cents per lb.

ABOUT 300 spectators witnessed the hockey matches in Hillsboro Rink last night, between Southport vs. Davis & Fraser, and Butchers vs. Printers. The former game was an excellent one from start to finish and the swiftest local game ever played. The enthusiasm was kept high all through the match. The game started at 8 30 sharp. The Southport team scored first. Soon after Davis & Fraser's team evened the count. At 17 minutes Southport again scored and just before half time the score was again tied. In the second half both teams played fast and hard but failed to score until two minutes before the bell rang, when the Southport team scored winning the game by 3 to 2. The teams lined up as follows.

SOUTHPORT		DAVIS & FRASER
Cy Corey	Goal	C. Doyle.
Lewis Burns	Pt.	J. O'Brien
W. Corish	C pt	T. Mills
R. Flood	Forwards	V. Gillan
Ed Stewart	"	W. Whitlock
Chas. Burns	"	Art McInnis
Pius Burns	"	A. Brydges

All of the Southport team are good players for local men. Chas Burns played a star game and certainly "burned" the hams. Pork dropped in price, although a desperate effort was made to keep it up to the quotation. F. Gaudet, made an excellent referee. The game between the Butchers and Printers, commenced at 9.45. This game was all one sided. At half time the score stood 8 to 1 and finished 10 to 1 in the Printers' favor. The game was clean throughout although a good deal of "butchering" was expected The teams lined up as follows:

BUTCHERS		PRINTERS
W. Ingram	goal	F. McRory
Jas Arbing	point	W. Towan
O. Duncan	C point	V. Rodd
H. Barr	Forwards	J. Duffy
W. McInnis	"	P. Rodd
E. Mills	"	J. Gaudet
C. McLeod	"	P. Duffy

F. R. Newsom refereed the game.

YESTERDAY was the anniversary of the birth of George Washington, the Father of His Country, and the first President of the United States. None but the kindliest sentiments are nowadays felt for the memory of this great man, and the celebration of his birthday is viewed with sympathy by Canadians. All throughout the United States it is a public holiday, and is celebrated with enthusiasm by patriotic citizens of the Great Republic. On that day the virtues of the man they honor are told from many a platform and rostrum; the perennial story of the hatchet with which George took the life of the innocent little cherry tree is retold to show that even in his earliest days he was not a "grafter" but would rather cut down a fruit tree than propogate it by unscrupulous means. Cherry pie is a favorite dish and at the feasts provided the hatchet is the popular shape in which confections and ice cream and other comestibles appear before the guests. On that day even hatchet-faced people are popular. In Charlottetown although the day was not observed in any elaborate way it was nevertheless duly remembered and in a very pleasant fashion. The American students, in residence of St. Dunstan's College, with others, paid a visit to American Consul Shirely and Mrs. Shirley, and a delightful afternoon was spent at the Consulate. The Consul talked to his visitors informally and they went on their way rejoicing, having first invited Mr. and Mrs. Shirley to attend an entertainment at the College in the evening in honor of the anniversary. The enter ainment at the College was under the direction of the Columbian Society and comprised a program of instrumental and vocal music, in which patriotism was the keynote. The Consul addressed the students giving them some practical advice which they thoroughly appreciated. The evening brought to a happy conclusion a most gratifying celebration of the day.

THEOPHILUS AND MRS. PORRIER who live on their comfortable farm home at Fortune Cove, Prince Co., are certainly a remarkably active couple, having both attained the advanced age of eighty-seven years, and are still hale and hearty and bid fair to reach the century mark. They have reared a large family, some of whom have passed to the great beyond, the remainder are married and comfortably settled in homes of their own. It was truly a remarkable sight to see Mr. Porrier walking to the woods this winter with his axe on his shoulder a distance of two miles, where he felled the giants of the forest—huge rock maples and birches and afterwards with his team hauled home his year's supply of firewood and stove cut and split it into suitable size for his stoves. Mrs. Porrier is equally active in attendance on her household duties. Mr. Porrier is a brother of the late Colo Porrier whose photograph with the five generations in descent, was published in The Magazine Guardian some few weeks ago.—T. C. R.
