S'SIDE AND PRINCE CO.

Mr. J. F. GALLAGHER, Charlottetown was registered at the Hotel Minto yesterday.

For sale at a bargain, an express wagon, nearly new, apply to J. A. Morrison, Summerside.

If you want a genuine wholesome entertainment, attend the social and spelling bee in Epworth Hall this evening. There are going to be some surprises and ice cream, and candy, and hard spelling. Open at 8 o'clock.

The first lumber vessel to arrive in Summerside, is the Lochiel, which is now discharging at Queen's wharf, a cargo of boards, scaffolding, lath, etc., for Mr. J. M. Clarke. She will take away a cargo of oats shipped by the same party.

HER many friends will be pleased to learn that Miss Elizabeth Clarke, North Carleton, who, for the past five months, has been suffering from a very severe attack of nervous prostration, is making rapid progress towards recovery, under the skilful treatment of Dr. Sutherland.

HORSEMEN with fast ones will bear in mind that entries for the Dominion Day races, at Summerside, close on Thursday, June 1st. 2 26 class, \$150; 2.40 class, \$100; 3 minute class, \$100; open to trotters and pacers. Entrance 10 per cent of purse. Payable one half June 1st, balance June 26th. Unusual conditions, reduced railway fares, etc., etc.

"THE Garrick Dramatic Club" will be remembered for their production of the farcical comedy, "Our Regiment," in Summerside, some three years ago, when they scored a decided success with our theatre goers. Judging by the big hit made in Charlottetown, on Tuesday night in "The Bogus Widow," we may expect an evening of rare enjoyment.

THE esteemed editor of the Pioneer and Farmer is having a visionary spell. He has "been seeing things." The Farmer of today, dated yesterday, announces the fact that "the surveying str. Gunare arrived at Summerside last Saturday, and is engaged in making tidal observations and other work in the harbor." The Gunare has not yet arrived in Summerside harbor, but is expected this week. He (the esteemed editor) was also "pleased to see Mr. Edgar Kier, of Malpeque, in Summerside last Monday, quite recovered from his recent severe illness." Edgar has not been in town since his recent severe illness, but the GUARDIAN is pleased to say that in all probability, he will be in the near future, as he is progressing very favorably altho' still confined to his home.

SUMMERSIDE'S oldest inhabitants had on Monday evening, a taste of ye ancient days, when the town was known as Green's Shore—when the bear and the wild cat roamed the back streets without fear of the police or the new fangled by laws. A flock of tamed wild geese kept for decoy purpose, by their syren call induced an untamed sister goose to hover over the town. This roused the sportive instincts of one of our noted sportsmen, and he gave chase. The exigencies of the occasion were such that elaborate preparations could not be made, and when the time arrived for the execution, he found himself with a shotgun but no cartridge. He succeeded in surprising a number of citizens, and amusing a number of small sympathisers who saw him safely home, but yesterday he was seen buying his meat for dinner at the butcher's as if there had been no goose in the case.

ITCHING PILES.

False modesty causes many people to endure in silence the greatest misery imaginable from itching piles. One application of Dr. A. W. Chase's Ointment will soothe and ease the itching. One box will completely cure the worst case of blind, itching, bleeding or protruding piles. You have no risk to run for Dr. A. W. Chase's Ointment is guaranteed to cure piles.

Tested Friendship.

Jackson—Heaven bless him! He showed confidence in me when the clouds were dark and threatening.
Wilson—In what way?
Jackson—He lent me an umbrella.

A REFRESHING STYLE.

The art of quotation requires delicacy in practice. An already famous firm has originated and developed into very promising advertising a mass of old quaint proverbs. We refer to Messrs. C. I. Hood & Co., of Sarasprilla fame, who are using not only our contemporaries, in adapting, wise saws to their service by clever and practical turns. It is refreshing to see something new and bright in this line. Clean cut argument is better than big display type.

SINCE WE "Led the Way" to the bettering of the world's tea trade, all kinds of

Extravagant claims are being made by those pushing the "so-called" just as good substitutes, but

"SALADA"

CEYLON TEA.

PROVES ITS VAST SUPERIORITY BY ITS ENORMOUSLY INCREASING SALES. SEALED LEAD PACKETS ONLY.

In our opening ad this season we advised the bicycle buying public that no cheap guaranteed new wheel would be sold by us under any circumstances this year, nothing but wheels made by leading manufacturers, fitted with the best tires obtainable, and all other equipment to correspond.

We have bought our experience

in this line, and if you wish you may have the benefit of it free. A poor wheel is dear at any price, in addition to the amount you have to expend for repairs, there is the lack of satisfaction and you become disgusted with cycling altogether.

Always pick the best

Has been our advice to the bicycle buyer this year. If you cannot afford the highest priced wheel in the store, buy the best you can get for your money. Whatever wheel you purchase from us we guarantee it to give you entire satisfaction, and to be the best you can buy anywhere for the same money. We do not confine you to one make. Look at this line of leaders, the output of all the best Canadian and American Manufacturers:

Massey Harris,
Red Bird,
Cleveland,
Quickstep,
Perfect,
Garden City,

Columbia,
Hartford,
Crescent,
E. & D.,
Gendron,
Dominion.

Three makes of chainless. The only three thoroughly tested bevel gears on the market:

Columbia,
Perfect,
Crescent.

Wheels for everybody at prices to suit anybody. A few ladies' and gents' good second hand wheels very low. All kinds of bicycle repairing done promptly and well.

ROGERS & ROGERS,

THE BICYCLE MEN.
