...EAST POINT EGG CIRCLE. —That the East Point Egg Circle has proved a success is now admitted even by those who did not at first sympathize with the movement. The Circle was fortunate in securing as managers the firm of Mossey and Muttart of Bothwell. These young men have been doing business for a number of years and are known as straightforward business men. Honesty with them is a principle as well as a policy. Though the price paid by store keepers approximated that of the Circle, it is evident that had there been no Circle, prices would have been lower. Early chicken raising was not very successful. Another talk by Mr. Benson, on chick raising would be appreciated.

MOTTO:—Permanency. Aim: To produce the highest grade of Silver Fox pelts.

**Important Announcement**  
The Permanent Silver Foxes Ltd., announces to the investing public that its interests and those of the Murray River Silver Black Foxes Company Ltd., are now amalgamated.

### High Class Foxes at \$18,000

They offer to the public the choicest Silver Foxes obtainable all "Class A" at \$18,000 a pair. Six pairs of these—the Murray River's—are two years old and the other 7 to 9 pairs are this year's pups.

### Your Chance Remember

This is your chance to get into a good strong company built up on permanent lines! You never had a better chance and you never will again. We stand in the unique position among fox companies that we are doing more than we said we would do.

### Think Of It

Six pair of young breeders and seven to nine pair pups, all at \$18,000 a pair. Why, sir, similar stock was gobbled up at \$30,000 a pair not so long ago.
