A Great Bargain Purchase of WRAPPERS

Actual Values \$1.35 to \$1.90 **98c.**

BARGAIN purchase like this one is something of a rarity. Staple, salable articles like wrappers are seldom to be secured at less than actual value. In this case the unexpected happened and we secured the lot—some 175 garments at our own figure.

We place them on sale this morning at 9 a. m. Come prepared to purchase two or three—for these are such good bargains we don't believe you'll be able to resist.

The wrappers are thoroughly well made—a feature which influenced us strongly when buying them. As regards coloring they are particularly well assorted in dark shades, pretty garnet, cardinal and navy effects being strongly in evidence. There are a number of effective styles—all have deep finishes—wide sweep of skirt—and are finished most attractively. The fabrics of which they are made consist of hard and soft finished wrappercottons of good quality which as a rule wear well and wash satisfactorily.

IF YOU CAN'T COME ORDER BY MAIL

Don't miss the bargain merely because of inability to do so in person. ORDER BY MAIL. We will fill your order satisfactorily and should you not be entirely satisfied we will return your money. When ordering, state size of bust measurement, and give us an idea as to coloring desired. Ten cents should be added for postage.
