Your Soldier Boy Wants

HICKEY'S Twist

No matter where he is, or what other tobacco he can get, the Island soldier who chews tobacco is NEVER satisfied with anything but HICKEY'S TWIST.

In hundreds of letters from the boys in Flanders, France, England and the training camps, they ask for HICKEY'S TWIST—and the 105th took along 20,000 figs with them.

Send your soldier boy a pound of Hickey's with the next parcel.

COMING TO CANADA.—Judge Fitzgerald has received a cable stating that his son, Roy, who has been at the front for sometime, is leaving England on the 2nd of July for Canada. On his arrival in this country he will take out commission in the 194th Edmonton Battalion. It will be remembered that Roy was twice wounded, and has passed through many thrilling perils in the trenches at the front. He has been in several fierce battles.

QUEEN MARY NEEDLEWORK GUILD.—The petition, which was signed by Queen Mary to the Governor in Council, has been disposed of and Mrs. Robert Coulson of Long River has won the garment. \$103.60 was realized by the sale of tickets which amount will be forwarded to the Q. M. N. G. to use in providing the soldiers with comfort. Mrs. (L. G.) MacDonald wishes to heartily thank the contributors to this fund and all those who so kindly assisted in selling the tickets.

BASE BALL MATCH.—What promises to be the best exhibition of baseball of the season will be given at the Abegweit grounds, at three o'clock, Saturday afternoon. A picked team of New Glasgow munition manufacturers will invade the City to try conclusions with the Fifth Siege Battery Nine. The visitors, some of whom are athletes of no mean repute from different parts of Canada, will be a formidable aggregation. The Soldiers, on the other hand, with their strongest line-up, should be able to give a good account of themselves. The team will have at least two good practices before Saturday, and it is probable that one or several of the new Gunners will find a place on the Nine. As it appears that the Battery will not be here much longer, baseball fans should avail themselves of this opportunity to witness a good game, and incidentally assist the Soldiers financially, for the proceeds will go to the Battery Fund.
