A Striking Moment at The Synod Meeting

(Special to The Guardian.) HALIFAX, Oct. 23.—There was not during the whole progress of the Synod of the Church of England in the Ecclesiastical Province of Canada, a more noteworthy incident than that when His Grace Archbishop Worland, Metropolitan of the Dominion—Rev. Principal MacKinnon and Rev. Dr. J. W. Falconer, two men whose presence would be a consolation to any gathering for all familiar with their rich scholarship and character. Their addresses were brief, but they could scarcely have been more happy.

Harvard Beats Centre, 24-10; Yale and Princetown Win, Too

NEW YORK, Oct. 22.—Harvard, Yale and Princeton convincingly demonstrated on Saturday why they are the big three of eastern football and through their trio of victories gave cause for the prediction that the annual group of contests among them late in the season will be of sizzling intensity. Overshadowing in popular interest all the other contests staged in the eastern arena last week-end was the Harvard-Centre game at Cambridge which, while not fought as closely to form as it had been "doped" ended approximately in what critics had expected—a victory for Harvard.

Admiral De Horsey Died at Cowes

(Special to The Guardian.) Algernon de Horsey, died at Cowes today. Admiral de Horsey had been Deputy Governor at the Isle of Wight since 1918. He was 95 years old. He was senior naval officer during the Jamaica insurrection of 1865, and the Fenian Raids in Canada in 1872 to 1875, and Commander-in-Chief of the Pacific fleet from 1876 to 1879. During his command in the Pacific his flagship, the Shah, engaged the Peruvian rebel fleet at Huascar and forced it to surrender to the Peruvian authorities. The question of the Admiral's action was debated in Parliament, but de Horsey was justified for what he did. The Admiral was placed on the retired list in 1892.

EARL BEATTY'S FLAGSHIP WILL NOT BE SCRAPPED. LONDON, Oct. 23.—It is understood that Earl Beatty's flagship, the Lion will not go to the scrap heap after all; that the Admiralty has withdrawn the Lion from the list of battleships due to be scrapped as the outcome of the Washington conference. It was announced on October 6 that the Admiralty had found it impossible to accede to the desire expressed in many quarters that Admiral Beatty's flagship in the Great War should be preserved. It was stated then that the cost of maintaining the Lion as a national relic would be very large.
