A Physical Wreck

Suffered Tortures from Nervousness.

Miss Marguerite Lees, 91 Robert St., Hamilton, Ont., writes: "I was a wreck, reduced in body, and despondent. I suffered tortures from nervousness, and was totally unfitted for work. A friend recommended Hood's Sarsaparilla. I commenced taking it and by the time the second bottle was consumed I knew that I was mending. Gradually I grew well. I have used Hood's since I would not be without it on any account, and do most enthusiastically endorse every word in its favor."

Get Hood's Sarsaparilla today. Sold by all druggists everywhere.

One Price to all And Strictly Cash

The ENTERPRISE BLAZER FURNACE is used in all sections of Canada and always gives complete satisfaction.

Read the following from a customer in the cold West:—

SASKATOON, Sask., July 4th, 1911.

Messrs. Enterprise Hardware Co., City.

Gentlemen:—

In reply to your question as to how I like the BLAZER Furnace, can unhesitatingly say it is the most satisfactory in every way. As you know, I installed one of these in my own house two years ago, last year when I built my block I specified seven more Blazer Furnaces. This in itself, I think, is the highest recommendation I can give the Blazer.

It is easy to operate and economical in fuel, and these are the two chief points that are desired.

Wishing you continued success in the sale of the Blazer, I remain Yours very truly

Ed. B. A. Archibald.

Call on our agents and ask to see the BLAZER, or write us direct for circular.
