What You Pay For Medicine

is no Test of its Curative Value—Prescriptions Versus Dr. Chase's Kidney-Liver Pills.

Dr. Chase's Kidney-Liver Pills are just as much a doctor's prescription as any formula your family physician can give you. The difference is that Dr. Chase's Kidney-Liver Pills were perfected after the formula had proven itself of inestimable value in scores of hundreds of cases.

Dr. Chase won almost as much popularity from his ability to cure kidney disease, liver complaint, and backache, with this formula, as he did from the publication of his great recipe book.

The idea of one treatment reaching the kidneys and liver at the same time was original with Dr. Chase. It accounts for the success of Dr. Chase's Kidney-Liver Pills in curing the most complicated ailments of the filtering organs, and every form of backache.

As a family medicine Dr. Chase's Kidney-Liver Pills are unapproached. They keep the kidneys, liver, and bowels healthy, active, and regular, and so prevent and cure nine-tenths of all ailments to which humanity is subject. One pill a dose, 25 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto.

TWINS GET SICK TOGETHER.

St. Louis, Mo., Dec. 19.—Jacob and Benjamin Evans of No. 2813, Scott-avenue, are wins so nearly alike that their mother can scarcely tell them apart. They are united by some mysterious bond which seems to influence their lives. When one feels a pain the other experiences the same sensation though they may be miles apart.

Recently while Benjamin Evans was in Kansas City he became sick with malarial. At the same time his brother in this city exhibited the same symptoms. Ben returned here and both were today removed to the City Hospital in St. Louis. Ben Evans says that he believes if one would die the other would at once.

SERMON TO YOUNG BODIES.

A Chicago preacher says if he were a girl he would swing Indian clubs and dumb-bells and play golf and tennis. This is all very well, but he adds that he would be willing to wash dishes, which of course, shows that he doesn't fully understand the subject.

Imitation is the Sincerest Form of Flattery".

MINARD'S LINIMENT

has extraordinary merits, and is in good repute with the public, is that it is EXTENSIVELY Imitated. The imitations resemble the genuine article in appearance only. They lack the general excellence of the genuine.

This notice is necessary, as injurious and dangerous imitations, liable to produce chronic inflammation of the skin, are often substituted for MINARD'S LINIMENT by Dealers, because they pay a larger profit.

Mrs. Astor's Ornaments.

Says the Boston Post: "At the opera Tuesday night in New York Mrs. John Jacob Astor's ornaments were ropes of diamonds hanging over the corsage, a necklace of diamond and sapphire ornaments on the corsage. She also wore a crown of diamonds, and she is understood to have left nearly a quart more of precious stones in a pink plush box in the left-hand front corner of the upper bureau drawer at home."

AN AMALGAMATION MADE.

The London Financial News says that the English shipbuilding firm of Vickers, Sons & Maxim, and the Philadelphia firm of Cramp have amalgamated under the title of Cramp, Vickers, Maxim & Midvale Company. The capital is variously stated at from \$200,000,000 to \$150,000,000. A partial denial has been given the report, but there is no doubt that some steps have been taken to bring about this combination.

THE INDEMNITY FROM CHINA

New York, Dec. 24—Two hundred dollars is the maximum sum the administration wants the powers to demand of China as indemnity. Yet the figures are likely to be many times that amount. The United States army has a deficiency of \$11,000,000 for the army supplies and most of that is charged against China.

Desirable Profitable Investments.

Did it ever occur to you that the Par Value of a thousand Shares of Mining Stock is usually \$1000

It is often objected to in Mining that it is risky and this is true—but can you tell of anything that isn't?

If a new man were to start up in opposition to you, would he run no risk? Does everyone in your line of business make a fortune?

It is precisely the same with mining as with anything else—there are successes and failures. One concern gets a good property and manages it right, with success as the result.

I have carefully investigated the properties and management of the Companies whose shares I advocate your buying and feel sure that they are safe as an investment.

Out of my list of four this summer, two struck Ore!

I still have the same list with Comstock added Drop me a line and I will give you particulars.

Investigation won't hurt and may pay you.
