### BOXING REVIVAL IS SEEN

#### Braddock and Baer Meet June 3 — Carnera-Louis Bout and Welterweight Battle Arranged.

(By Edward J. Neil, Associated Press Sports Writer)

(A. P. By Guardian's Special Wire)

NEW YORK, April 16.—A great boxing revival loomed today for the coming outdoor season as Max Baer accepted Jimmy Braddock as his heavyweight title opponent on June 13, and dates were assigned for a battle between the sensational Joe Louis and Primo Carnera, as well as the third welterweight championship tussle of Jimmy McLarnin and Barney Ross.

Mike Jacobs, head of the new 20th Century Sporting Club, took a lead of 2 to 1 in his promotional war with Madison Square Garden as he snared the McLarnin-Ross engagement for May 28 at the Polo Grounds, and the Louis-Carnera embroglio for the Yankee Stadium June 25.

The Garden, with Baer tied up, landed the heavyweight title match, but only after lengthy arguments with Anell Hoffman, manager of the champion, and a final concession that gave the titleholder broadcasting rights to the affair as well as 42 1-2 per cent of the net proceeds.

If Baer wins the Garden's domination of heavyweight championship affairs, unbroken since Tex Rickard first tied up Jack Dempsey, ceases, for the Californian has no holdover contract this time for another fight. Braddock agreed to defend the title for the Garden if he won.

The outdoor campaign was launched at the offices of the New York State Athletic Commission where the fatherly accepted Barney Ross' resignation as lightweight champion, paving the way for his rubber engagement with McLarnin.

### Al Tunney Wins Bout

PORT OF SPAIN, Trinidad, April 16.—Monte "Kid" Sitch, billed as the Indian featherweight champion of the world, went down to a 10-round defeat here last night before Al Tunney, Trinidad featherweight title holder. The fight was close all the way, Tunney winning the decision by a one-round margin.

LONDON, April 16.—France has accepted the invitation of the English Rugby League to send a fully representative international side to oppose England at Headingley May 6. The match will form part of the King's Silver Jubilee celebrations.

### ON THE SIDELINES

(By Pat Power)

JUST ONE STEP away from the highest honor that can be bestowed in Canadian amateur hockey, Halifax Wolverines tackle Port Arthur Bearcats tonight in the second game of the Allan Cup finals and although the outcome is very much in doubt, the Maritimers, should they show a semblance of the form they displayed against Montreal Royals tonight will be wearing the proud mantle that has adorned the now defunct Moncton Hawks for the past two seasons.

ALTHOUGH RETURNED victors in the first engagement by a 3-2 count the Wolves failed to impress the fans who attended the game. Halifax scribes fail to give the victors a great deal of credit, attributing the win rather to the poor sniping ability of the westerners, and in this respect here is what one well-known Halifaxian writer has to say of the game: "Almost continually the fighting Westerners outplayed the Eastern contenders, bottled the Wolverines up in their own end of the rink with a sweet passing attack, but lacked the polish to take command."

BUT THIS CAN BE attributed in a large measure to the gruelling series which the Stuart-coached team has just gone through. The four games bitterly fought all the way through put a severe test on the stamina of the Maritime representatives who had been in comparative idleness for nearly two months and in this writer's opinion was largely responsible for the poor showing of the Wolves against the Port Arthur representatives.

HOWEVER WOLVERINES are one game up no matter how they performed and tonight as they go into the second game are in the driver's seat. The Bearcats, while they are still mighty formidable foes and are to be reckoned with highly, will have to show big improvement if they are to prolong the series. Wolverines should and probably will perform much better tonight and if such turns out to be the case then all that we can predict is a Wolf victory, a result that will give to these seaside Provincers its first hockey representative at the Olympic Games, to be held in 1936 at far-off Berlin.

THE ABOVE HONOR is well worth battling for and no doubt the Halifaxians, on the verge of making their dreams come true, will once more hit their real stride and prove beyond a doubt that the brand of hockey played in the Maritime Provinces is still superior to that displayed in other Provinces.

FULL OF CONFIDENCE as a result of their recent victory over the rugged Navy basketball squad, Holy Name Falcons again tackle their arch-rivals at the Club gymnasium tonight in the fourth game of the series for the title and trophy. Falcons are still on the spot, trailing in games

HALIFAX, April 16.—Those tickets to Berlin, thrown into the Allan Cup this year by the Canadian Amateur Hockey Association, had Halifax Wolverines and Port Arthur Bearcats dreaming of big liners and beer gardens tonight as they prepared to continue their struggle for the Dominion title.

More confident than ever since their 3-2 victory in the first game last night, the eastern champions' only source of worry was the Nazi salute.

### Assumption College Wins Eastern Title

WINDSOR, Ont., April 16.—On the remarkable shooting ability of Willie "Moose" Razin, their husky centre, Assumption College rode to the Eastern Canada senior basketball title by defeating Notre Dame de Grace of Montreal, 47-21, here tonight.

### Braves Defeat Giants As Red Sox Take Yankees In American League Opener

(A. P. By Guardian's Special Wire)

NEW YORK, April 16.—Back again after 16 years with the Yankees to Boston where he started his career as a lanky, turkey-necked rookie from Baltimore, in 1914, Babe Ruth rose to the occasion as he has so many times in the past when the spotlight was upon him, by figuring in all four runs as the Braves beat Carl Hubbell and the Giants 4-2 before an opening day crowd of 26,000.

PHILLIES LOSE TO DODGERS

Van Lingle Mungo, set the Phillies down with five hits, fanning six, and drove in five runs as he connected with three singles in five times at the plate to lead Brooklyn to a 12-3 victory at Philadelphia. Minus Frey crashed through with a homer in the first inning to start the Brooklyn scoring.

CARDS LOSE TO CUBS

Gabby Hartnett's homer, double and singles was the big bat of Chicago Cubs as they downed St. Louis Cards 4-3 before 16,000 chilled fans at Chicago after Diamond was taken from the game in the first inning when Freddie Lindstrom's

Ruth Grabs Spotlight With Timely Hitting And Smart Fielding Display

BOSTON, April 16.—With all the characteristic flamboyance of the great man in a crisis, George Herman (Babe) Ruth, the ancient, they waved out of the American League, started life all over again, at 40 in the National League today.

SENATIONAL CAREER

To rub it in further to the critics who have bespoken his fielding for the past couple of years, the Babe wound up his Rubell vendetta with an astounding catch of a snazy drive the pitcher slumped over third base. His knees pumping up under his chain, his feet firm the foul line and just did get there in time to rob Hubbell of a hit with a last second stab.

### Home Run Standing

(By The Associated Press)

Ruth, Braves; Frey, Dodgers; Bryd, Reds; Hartnett, Cubs, one each.

As it was, the Bearcats might have taken the Wolves in the first game. Their speedy forwards, particularly Alex Sinclair, Bill Thompson and Jimmy Eagarty, had no trouble getting through the Halifax defence and missed many scores only because their shots were wild. Thompson, the best marksman of the lot, netted both the Port Arthur goals.

Wolverines were cheered tonight with word that their Captain, Ernie Mosher, had recovered from the injury he received in Friday's battle
