

W. C. T. U. NOTES

It's today that people need your help. The lonely and forlorn ones. The people who are troubled. And the sad ones and the scared. The weary and the dreary. The wish-they-were-not-born ones. It's to help such folk as these along.

SAFETY FIRST

How many of you have ever noticed the warning sign of the semaphore? This sign is the SAFETY FIRST. It is the message that says to the engineer, STOP! SAFETY FIRST is a good New Year's motto.

SAFETY FIRST BOYS! In your choice of church select those whom it is safe to keep company; friends who will not lead you astray.

CALLING ALL MEN!

The mounting crescendo of Allied might is preparing for the final assault on Hitler's European fortress. For this colossal job many more men are needed at once as reinforcements and as specialists in Canada's Army overseas.

Even now your friends are storming Hitler's defence positions in Italy. They are calling on you for help.

Don't let them down. Back them up by getting into uniform at once. It is your DUTY to go to their aid, not sometime in the future—But RIGHT NOW!

INFANTRY—Here more men are wanted to be trained as signallers, mortar-men, machine-gunners, wireless operators, armorers, drivers, motor mechanics.

ARMORED CORPS—Highly skilled drivers, gunners, wireless operators and motor mechanics are also needed to form part of the tank crews.

ARTILLERY—Still another group of specialists is required for anti-aircraft, anti-tank, field, medium and survey regiments.
