FINANCIAL NEWS BRIEFS

(Received over Pitfield and Co's Private Wire)

NEW YORK, Nov. 12—In addition to the market picture itself there will be news to provide momentum which front pages are now featuring the President's roundup of methods and means to halt the business slump and to restore business confidence. Reports at this writing are that the President's program will be kept secret until Congress has convened on Monday and the President can present with dramatic force. The probabilities that the climax will come before the anti-climax. Meanwhile bearing in mind that although we are dealing with just a rally it will go further.

Brazilian Situation—Brazil's suspension of foreign payments is merely temporary while the Government is studying propositions to submit to foreign creditors regarding eventual payment for goods already bought or contracted for, Alalberto Guerra-Duval, Brazilian Ambassador, told foreign minister Count Galeazseo Ciano.

TORONTO, Nov. 12—Barber Larder—Obtains exceptional results. This morning I returned from a fast trip to the Barber Larder gold mines in the Larder Lake Camp. This property has the north country very excited over the latest results which indicates a mineralized run of over 1,200 feet long. While at the property the following new results came in from the assay office—No. 38 hole at the eastern sections of the property at a vertical depth of about 320 feet out 13.2 feet running $107 and No. 39 hole about 1,200 feet west five feet assaying $32.70. Visible tellurides were seen in No. 38 and cores from additional holes which should be assayed over the next few days.

Dow Theory, New York, Nov. 12—The primary, secondary and minor trends are downward. The market has quieted down somewhat and volume indications are not as pronouncedly bearish as they have been for some time. It is the opinion of this observer that easing of margin requirements for bulls and restricting short operations, will ultimately have exactly the opposite effect from that which the planners of our economies expected. A better cushion for declining prices would have been provided had they offered to pay a bonus to shorts.

MONTREAL, Nov. 12—London—The stock market opened with gilt edged securities inclined to be firmer and elsewhere little change was recorded. U. S. Steel 58 27-32. Anaconda 29 29-32. Nickel 44 7-8. Brazilian 14 7-32, Shawinigan 20 11-16.

Amsterdam—In unofficial stock transactions domestic issues were slightly irregular. Royal Dutch was 335 per cent against 338 7-8 per cent Thursday. American shares were fractionally below yesterday's.

LONDON, Nov. 12—Gold bars 140s 4 1-2d against 140s 1 1-2d Thursday. Bar gold amounting to 505,000 pounds was taken in the open market.

LONDON, Nov. 12—Stocks of rubber in London, it is estimated will show an increase of 300 tons this week and at Liverpool a decrease of 200 tons.

NEW YORK, Nov. 12—Dun and Bradstreet says—Drop of 9 in temperature after a few rainy days in some of the leading centers of distribution, gave the long awaited stimulus to winter goods movement. As only a few cities reported reduced demand, the sales increase for the week ran from 3 per cent to 7 per cent. The rise over last year's showing also edged upward, the estimated volume of retail distribution ranging from 5 to 10 per cent larger than than for the comparative 1936 period as orders for Christmas goods also increased wholesale volume was larger for the week but was only 7 to 15 per cent more than the 1936 comparative period.

Hollinger Consolidated Gold Mines declared extra dividend of 5 cents and regular monthly dividend of 5 cents both payable Dec. 2.

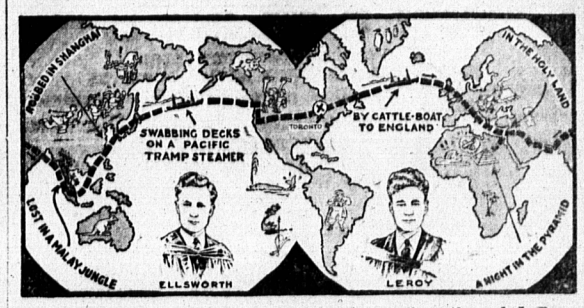
Flower headdresses are destined for great popularity this coming season. For these small flowers are preferred —tiny roses, forget-me-nots, and edelweiss appear, usually in garlands set on to curved bands covering from around the ear across the top of the head. With these are worn flower brooches and flower bouquets.

"HITCH-HIKING 'ROUND THE WORLD"



This is the route followed by the Toll Brothers, Ellsworth and LeRoy of the University of Toronto, when they worked and hiked their way around the world—one full year—twenty-seven countries—30,000 miles—with a transportation bill of just $75.00 each! The story of their trip, with amazing pictures in colour on the screen, will be heard in
