National Forestry Policy Is Urged. OTTAWA, Dec. 4.—(C.P.)—Creation of a national forestry policy which would guarantee Canada's ability to meet its increasing world requirements from her pulp and paper industry was recommended in a study made for the Canadian Geographical Society by F. T. Webb, Canadian economist, and his maximum potential benefit recommendation was based on research and consultation with experts over a period of many months...

CELEBRATED CHRISTMAS BEFORE DEATH. NEWBOLD, Ill., Dec. 4.—(CP)—The curly-headed boy whose family ate duck at his Thanksgiving dinner was killed yesterday by a train because he didn't want the turkey killed died yesterday of lymphatic leukemia. When physicians advised Mr. and Mrs. Charles Lark that their son might not live through December, the couple arranged to eat Christmas for four-year-old Brian. Gifts and letters poured in, among them the 15-pound live turkey, a milk goat and six rocking horses. The child passed at of the month's last day.
