GLORIOUS HAIR
Always Attracts—Use Parisian Sage. Thin Or Faded Hair Becomes Abundant and Radiant With Life.
Girls and women of all ages want to be charming, beautiful and attractive—it's their birthright—but unsightly, thin and lifeless hair destroys half the beauty of a pretty face.
If your hair is not attractive, is falling out, streaky, full of dandruff, too dry, or if the scalp itches and burns, don't delay—use Parisian Sage Rub it well into the scalp. It will go right to the hair roots, nourish them, and stimulate the hair to grow strong and luxuriant. Parisian Sage removes dandruff with one application and cleanses the hair of dirt, dust and excessive oil.
Parisian Sage gives the hair just what is needed to make it soft, fluffy thick and gloriously radiant. It is sold in fifty cent bottles only by toilet counters. Look for the trade-mark—E. Hughes and at all drug and mark—"The GI with the Auburn Hair." Accept no substitute.
