THE LAURIERITE MEETING.—The Laurierite Meeting in the Prince Edward Theatre last night was a disappointment. The attendance was not large many seats being unoccupied. Although a special invitation had been issued to the ladies, there were not more than twenty present and they occupied seats in the rear of the hall. Mr. Nelson Rattenbury occupied the chair. The candidates and the other speakers confined themselves generally to a criticism of the Borden Government and explanations as to how the war could be carried on without sending any more men from Canada. As stated confidentially by one of the Laurierites present, "this meeting would have been a bigger success if we hadn't held it at all."

FLAG HALF MAST.—The flag over the local branch of the Royal Bank of Canada is flying at half-mast in honor to the memory of Gunner Gordon Hazard, only son of Mrs. Hazard, Elm Ave., who has been killed in action. Gunner Hazard was a splendid young man and a social favorite. Besides his widowed mother he leaves to mourn two sisters.

THE WHOLE BODY NEEDS PURE BLOOD

The bones, the muscles, and all the organs of the body depend for their strength and tone and healthy action on pure blood.
If the blood is very impure, the bones become diseased; the muscles become enfeebled, the step loses its elasticity, and there is inability to perform the usual amount of labor. The skin loses its clearness, and pimples, blotches and other eruptions appear.
Hood's Sarsaparilla makes pure blood. It is positively unequalled in the treatment of scrofula and other humors, catarrh, rheumatism, emipia, loss of appetite, that tired feeling. Be sure to get Hood's and get it today. A. A. druggists.
