Eat More Rice

Rice is the cheapest important food commodity in Canada to-day.

We commonly consider Rice a delicacy, a material for the making of Puddings, Desserts, and side dishes. This is a mistake. Rice is a staple vegetable and may be used in this way.

We sell a good grade at 6 cents per lb. a better grade at 8 cents.

Clark of Summerside.

NO COUNTRY in Europe can boast of more natural beauty, nor of more beautiful buildings of mediæval style, than Belgium; you find them at Brussels, at Antwerp, at Ghent, at Bruges, at Louvain, Dinant, Malines and many other cities. They are splendidly illustrated in the lecture on "The Path of the Hun." You will put yourself in the way of securing pleasure for yourself, while you will assist the Sock Fund, by occupying a seat in Hartz Memorial Hall on the evening of March 13th. 4764

Be Immune From Colds

It is easier to avoid a cold or to cure it when it first starts—than it is to cure one that has become obstinate.

Avoid complications that may result from a neglected cold by using

Our Cold Tablets.

They will quickly overcome congestion and stop the feverish condition, which usually accompanies a cold.

They are pleasant to take and are in no way harmful.
