THIS SEASONABLE WEATHER

Should remind you that your stove furnaces and pipe may require fitting up and putting in first-class working order. Tons of coal may be wasted by not having this done. We make a specialty of this work. For Bell Hanging, Gas Fitting, Sheet Iron and Lin Plate working our work is unexcelled.

"Imitation is the Sincerest Form of Flattery".

MINARD'S LINIMENT

has extraordinary merits, and is in good repute with the public, in that it is EXTENSIVELY Imitated. The imitations resemble the genuine article in appearance only. They lack the general excellence of the Genuine.

This notice is necessary, as injurious and dangerous imitations, liable to produce chronic inflammation of the skin, are of ten substituted for MINARD'S LINIMENT by Dealers, because they pay a larger profit.

They all Sell on the Merits and Advertising of MINARD'S.

One particular claiming to be made by a former proprietor of MINARD'S LINIMENT, which simply is a lie.

Backache for 18 Years.

Suffered Much—Was Unable to Work or Sleep—Dr. Chase's Kidney-Liver Pills Made Him Well.

Too many endure the misery of backache without knowing that it is the unmistakable symptom of kidney disease. As you value your life do not neglect a backache. It tells of the beginning of the most fatal of diseases—Bright's Disease of the kidneys.

Mr. D. C. Simmons, Mabey, Ont., writes:—"My kidneys and back were so bad that I was unable to sleep or work. My urine had sediment like brickdust, and I had to get up three or four times every night.

"I saw Dr. Chase's Kidney-Liver Pills advertised, and decided to give them a trial. I have only used one box, and am a well man again. I can now work or do any kind of work, and am not bothered with backache or kidney troubles. I also enjoy good rest and sleep, which is a great relief after suffering for eighteen years."

Blood Disorders

are simply kidney disorders. The kidneys filter the blood of all that shouldn't be there. The blood passes through the kidneys every three minutes. If the kidneys do their work no impurity or cause of disorder can remain in the circulation longer than that time. Therefore if your blood is out of order your kidneys have failed in their work. They are in need of stimulation, strengthening or doctoring. One medicine will do all three, the finest and most imitated blood medicine there is

Desirable Profitable Investments.

Did it ever occur to you that the Par Value of a thousand Shares of Mining Stock is usually \$1000?

It is often objected to in Mining that it is risky and this is true—but can you tell of anything that isn't?

If a new man were to start up in opposition to you, would he run no risk? Does everyone in your line of business make a fortune?

It is precisely the same with mining as with anything else—there are successes and failures. One concern gets a good property and manages it right, with success as the result.

I have carefully investigated the properties and management of the Companies whose shares I advocate your buying and feel sure that they are safe as an investment.

Out of my list of four this summer, two struck Ore!

I still have the same list with Comstock added Drop me a line and I will give you particulars.

Investigation won't hurt and may pay you.
