Get Rid of The Dust Nuisance In Your House

Floor-dust carries most of the germs that make doctor's bills mount up. Floorglaze makes floor-dust not worth reckoning with.

Because Floorglaze, the can't-wear-off enamel in ten shades, practically DOES glaze a floor. And dust won't lodge on a Floorglazed floor. Saves a lot of housework,—and banishes a plenty of disease.

Floorglaze and rugs, with the smallest care, insure the health of the household and make a better-looking house. Anybody can apply Floorglaze,—a gallon does 500 square feet.

Just as good outdoors as indoors,—and nothing else does so well for either. Why don't you get your floors disease proof?

Your dealer should have Floorglaze. Let us know if he hasn't. You would find our Free Book interesting reading. May we send you a copy? Ask on a postcard. Imperial Varnish & Color Co., Limited, of Toronto.

may not be the right ones, but they are often the lasting ones.

Where one person reads a man's character in his face, a hundred read it in his clothes.

If you look as if you slept in your clothes, most people will jump to the conclusion that you do. And you will never get a chance to know them well enough to prove that you don't.
