Ask your Cobbler what he thinks of Red T Shoes

All shoes look pretty much alike when new. Only wear will reveal their true qualities. The difference you could not see between the \$2.25 shoe and the \$3.00 or \$4.50 pair will often become annoyingly plain after a short while. Since we do not make "cheap" footwear, we can afford to put that sterling quality into Red T Shoes which ensures good wear, and to secure that kind of workmanship which produces good fit and style.

Tidmarsh of Charlottetown who is on active service as Signalling Officer with the Grenadier Guards. Mr. Tidmarsh's high standing during the first three years of his course at McGill was regarded by the faculty as sufficient grounds upon which to confer upon him this degree with honors. Miss Wanda Wyatt, Summerside and Mr. Cuyler McKenzie also received high standing.

SUCCESSFUL STUDENT.—Among the Mt. Allison results just made public and ranking high in each case is the names of Miss Olga J. Crosby Cape Traverse, daughter of Mr. and Mrs. Edward Crosby. This young student has graduated and gathered in the title of M.L.A., in a whirlwind finish. The time allotted for such a course is generally six terms. However, Miss Crosby secured the above titles in four. Only last January did she decide on such a course as previous to this she had given much valuable time and careful study to violin which she also plays with much grace and talent. Miss Crosby secured a second class license from Prince of Wales College when very young and attributes much of her success at Mt. Allison to her careful training at good of P. of W., Charlottetown.
