A MANITOBA WOMAN.

Who Advises her Friends to take Dodd's Kidney Pills.

Neepawa, Man., Nov. 22.—Mrs. T. H. McKee, of this place was cured of Bright's Disease by Dodd's Kidney Pills. Since then she has been the means of saving the lives of dozens of her friends in Manitoba besides banishing the unnecessary suffering of many who were unaware that there was a cure at hand.

In a letter written lately in response to an enquiry as to her experience with Dodd's Kidney pills, Mrs. McKee says, "I can certainly recommend Dodd's Kidney Pills I believe they saved my life with our blessed Maker's wish. I have the greatest faith in them and have advised dozens of our Neepawa friends to take them."

CATARRH.

Statistics prove that 97 per cent of our population is affected with some form of Catarrh, but since Catarrh, the new medicated sir treatment of Catarrh and kindred diseases, has been introduced, this percentage has decreased. Catarrh never fails to cure Catarrh, Bronchitis, Asthma and Hay Fever, and is warranted to cure the most chronic cases of these diseases, even after all else has failed. It cures by inhalation. No danger, no risk, pleasant to take. For sale at all druggists or direct by mail, price \$1.00 For trial outfit send 10c in stamps to N. C. POLSON & CO., Box 569 Kingston, Ont.

IT IS A MISTAKE

To suppose that the kidneys alone are responsible for all the weak, lame back. Backache as well as pain under the left shoulder blade frequently comes from the liver or complications of the liver and kidneys which can only be cured by using the great double treatment—Dr. Chase's Kidney-Liver Pills. One pill a dose, 25 cents a box.

Handicap your Cough!

Don't wait a few days to see if it will "wear off"; it is much more likely to become dangerous and it will undoubtedly be much more difficult to cure. The longer you permit it to prey upon the delicate membranes of your throat, bronchial tubes and chest, the more you render yourself susceptible to other attacks and to chronic pneumonia or consumption.
