YOU NEED STRENGTH.

Vitality is Lacking and You Must Have a Bracing Tonic at Once.

You're sick and need medicine. Not an emulsion to sicken the stomach, not a "dope" cure, nor "bitters"—but a nourishing tonic that will increase weight, strength and spirits. Try Ferrozone and watch the result. Because it gives instant effect and steadily builds up new flesh, it is used by thousands in ill-health. No other medicine contains more nutriment, supplies better building material, makes you feel well and strong as quickly as it did Mrs. Charles Benny, of Clayton, Ont.

HER STATEMENT.

"I was sick. I was broken down, had no strength, couldn't eat. I was sleepless. My nerves were irritable. I was thin-blooded and continually unhappy. I tried Ferrozone. It gave me a new energy, forced vim. It brought me comfort, strength—it made me well. It's by making the appetite good, by instilling iron and ozone in the blood, by ridding the system with reserve strength, that Ferrozone accomplishes its work. You'll have new life in a week, in a month you'll be like a new being. Try Ferrozone, it always justifies itself, 50c. per box or six for \$2.50 at all dealers."
