JOHN D BELL, Esq. of Montague left yesterday morning on an extended trip to the Maritime Provinces and the United States. He will attend the Baptist Convention at Detroit and expect to visit Montreal, Ottawa and other Canadian cities.

OWING to unavoidable circumstances the funeral of the late Rev D Sutherland will take place on Sabbath first, at 3 p. m., from Zion Church. Members of Presbytery who can possibly arrange to be present, are urgently requested to do so.—Thos F Fullerton, Clerk of Presbytery.

YESTERDAY afternoon whilst Mr Michael Duffy, of Kelly's Cross was on his way home from the city, his horse took fright and ran away. It is said that the carriage was overturned and Mr Duffy was dragged some distance. We have not heard the extent of his injuries. The accident occurred about ten miles from the town. Mr Duffy is a son of Mr John Duffy, whose house was struck by lightning in the late storm.—Exam.

THE steam yacht Flash is a recent addition to the pleasure craft of Charlottetown. She is owned by a company of four young men who have fitted her up with excellent accommodation for parties of about twenty or less. A GUARDIAN representative had the pleasure of a sail in the Flash to Mount Stewart and return with a pleasant party a few days ago, and nothing could be more enjoyable. The Flash can pass anything that sails on our inland waters and no doubt will be in great demand among those seeking coolness on the waters during the heat of term.

Three of Charlottetown's best known physicians are attending the Maritime Medical convention. Dr Warburton is a son of the late James Warburton and a brother of Premier Warburton (now judge). He is mayor of Charlottetown. Dr Jenkins is a son of Dr J.T. Jenkins a well known and highly esteemed citizen of Charlottetown and a politician of considerable prominence, representing Charlottetown as far back as the time of Coles and Whelan. During later years he sat in the federal and provincial houses. Dr Conroy is a son of the late M. Conroy, who at one time occupied a prominent place in Island politics, representing one of the western districts. Halifax Chronicle.

THERE was a special day in the Methodist church of Montague Sabbath last, the 3rd July. Three services were held on the re-opening of the church, it having been closed for two Sabbaths. The church has been renovated throughout and presents a charming appearance, and reflects great credit on Mr M E Genge, of Georgetown, who had the contract for the work. It is now the prettiest church in this section of the country, and probably ranks among the best on P. E. I. The morning and evening services were conducted by Rev Wm Penna, brother of the present pastor. A great many of his old friends had quite a treat in two very forcible discourses. Mr Penna was stationed on this circuit some 22 years ago. The afternoon service at 3 o'clock was conducted by Mr M E Genge, of Georgetown, who preached with much acceptance. Altogether the services were very impressive. The musical part of the services was excellent under the direction of Miss M McCann, the organist of the church. Collections were good.

ELERIE NOTES.—Quahang fishing has been suspended until the warm weather is over. About four hundred barrels have been shipped. Although a good many were shipped comparatively little money has been left, as the price paid was very low.—At the last regular meeting of Welcome division, S of T, the following officers were installed for the current quarter: W P Bliss Ellis; W A. Pency Phillips; R S, S L Millar; A R S, Sadie Dystant; F S, L Dystant; Treas, S B Barlow; Chap, Wm Burleigh; Con, J Millar; A C, Masie Johnson; I S, Scott Bryant, O S, Harry McNevein; P W P, Wm Millar. The P W is an energetic young man and we predict a bright future for Welcome.—The half year examination of the Bideford school took place on Thursday last. There was a good number of the ratepayers and ladies present. Mr P Millar, Mrs A Williams and Miss Daisy Williams assisted in the work of examination which was highly satisfactory, and the scholars acquitted themselves very creditably, which reflects much credit on the teacher, Miss Maud Hayes, who has striven so earnestly and faithfully to bring the school to its present high state of proficiency. The trustees were quite fortunate in procuring her services for another year. Mr E B Williams paid us a flying visit last week.
