Flying Through the Air

is the feeling experienced when riding a Massey Harris Cushion Frame Bicycle.

Every ounce of power applied to the pedals is utilized; there is an increased sense of power because no power is wasted.

The Cushion Frame leaves the rider free to enjoy to the utmost the pleasures and benefits to be derived from cycling, as there is no jar or vibration, and it is a fact that one can ride fifty miles on a Cushion Frame with less fatigue than in riding twenty-five miles on a rigid frame bicycle.

Can be had in connection with the Massey Harris Bicycle. Last year's bicycles away down in price: Sundries and Repairs.

SUM'SIDE AND WEST

The Latest News From Prince County.

MR. BENJ. BREMNER, Charlottetown, was in Summerside yesterday.

HON. R. C. McLEOD, was a passenger by the noon train to Charlottetown yesterday.

THE Dredge Prince Edward, which has been undergoing repair since last winter was launched last evening.

Miss Eva Wright, and Miss Marian Reid returned last night from Mount Allison's Ladies' College, Sackville.

THE present Town Council is paying a good deal of attention to our streets. Cleanliness is their aim and their efforts are quite noticeable. If the good work is kept up throughout the summer, Summerside will look brighter and cleaner, than perhaps ever before.

London people spend on an average 21s per head for gas yearly, as compared with 10s a head in other English towns.

A CATARRH SPECIALIST.

Mr. Jas Spence, Clachan, Ont., says:—I have been a sufferer from Catarrh for 15 years, which became chronic. I have spent a lot of money and consulted several doctors, among others a specialist in London. I have tried everything I could hear of or see advertised without doing me any good. But thanks to Dr. Chase's Catarrh Cure, I am completely cured after using three boxes of it. I recommend it to anyone suffering from catarrh.

COST OF THAMES TUNNEL.

The Thames Tunnel cost £13 a ton for all the clay dug out, the St. Gothard tunnel only £9 for the rock excavated.

A SURPRISE TO EVERYBODY.

The promptness with which Dr. Chase's Kidney-Liver Pills regulate and invigorate the action of the kidneys, liver and bowels, is a surprise to everybody. They are the people's favorite cure for kidney disease, liver complaint, indigestion, and constipation. The sale of this great prescription is simply enormous. One pill a dose 25 cents a box, all dealers.

ENGLAND'S NATIONAL DEBT.

England's National Debt is £5 2s in every £100 of her national wealth. That of France is over £22 and of Italy £16.

GET WHAT YOU ASK FOR

When you ask for any of Dr. Chase's Remedies look for his portrait and signature on the box, otherwise you may get an imitation. Beware of the druggist who tries to induce you to take something said to be "just as good." If he substitutes medicines he will substitute drugs in prescription. Insist on getting what you ask for and remember that there are no family remedies to be compared to those of Dr. A. W. Chase, author of the famous Recipe Book.

Mr. F. J. Rafter, Montreal, representing the Dominion Tobacco Company is in the city. Mr. Rafter expresses himself as being strongly opposed to the commercial travellers' tax. He contends that in certain lines of goods especially dry goods, it is possible for the consumer to be taxed without being cognizant of the fact. The tax, he says, is also easily collected from the buyer where certain lines are in demand and the retailer caters to that trade. He maintains that measures prohibitive in effect are detrimental to legitimate business.
