Women Praise Lydia E. Pinkham's Vegetable Compound for Health Restored.

In almost every neighborhood in America are women who have tried this standard remedy for female ills and know its worth.

Athol, Mass.—"Lydia E. Pinkham's Vegetable Compound has done me a world of good. I suffered from a weakness and a great deal of pain every month and nothing brought me any relief until I tried this famous medicine. I am a different woman since I took it and want others who suffer to know about it."

San Francisco, Cal.—"I was in a very weak nervous condition, having suffered terribly from a female trouble for over five years. I had taken all kinds of medicine and had many different doctors and they all said I would have to be operated on, but Lydia E. Pinkham's Vegetable Compound cured me entirely and now I feel a strong well woman."

For special advice in regard to such ailments write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its many years experience is at your service.

ACCIDENT WHILE SWIMMING

Mr. Samuel G. Blandford, of Belton, Ont., met with a nasty accident while swimming, but the timely use of Zam-Buk saved him unnecessary suffering. He writes: "While swimming, I caught my foot on a piece of wire and in trying to free myself I cut my foot very badly. I applied a remedy I had at the time, but the cut got no better. Then I commenced with Zam-Buk. The first few applications ended the pain and drew out the poison and soreness, and very soon the injury was quite healed. Be sure to keep Zam-Buk on hand for emergencies, and when you go on your holidays don't forget to put a box of Zam-Buk in your bag. It's splendid for cuts, burns, blisters, sunburn, sore feet, heat rash, bites and sores of all kinds. All dealers, 50c. box. Send 1c. stamp (for return postage) on free trial box.

LONDON, June 11.—Commenting on the new German offensive the Star says: "The third phase of the battles which commenced on March 21 may well decide the fate of Germany. It cannot decide the fate of the Allies, for whatever may be the issue they will fight on until America and the American armies can turn the scale and deliver the world forever from Prussian hegemony. The Germans are not going to win. "There are great armies of the French and the British between them and Paris. "We expect those armies, with the rapidly increasing American army to beat them flat. We decline to go half way toward defeat of any kind. We believe victory, and nothing but victory. "We have beaten the Germans in a hundred battles since Mons, we shall beat them now."
