His friends here will be delighted to know that he represents this Province in the Royal Flying Squadron the North Sydney Herald says:—A cable message was received Monday morning from Lieutenant Louis Brennan stating that he and the other members of the Canadian flying squad had arrived safely in Liverpool. The cable was to his father, Councillor J. P. Brennan, and stated the aviator had a nice trip across concluding with "A Merry Christmas to all." Lieutenant Brennan is one of the first aviators to go overseas from Canada, and the only one from the Maritime Provinces. When the call came for volunteers to engage in aerial warfare, Mr. Brennan, who then occupied a good position in the Customs House here, resigned and at once gave his services. He underwent a thorough course of training in the Aviation School at Toronto, and was one of the most successful students to qualify for active service in the war zone. Miss Hazel White, teacher, Warren Grove assisted the teacher, Miss Blanche Dougan to examine the pupils in the various subjects. The ready and intelligent answers of the pupils testified to the skillful training they had received from their teacher. The following program was excellently rendered: Opening Address, Charlotte MacKinnon; Recitation, Johnnie Cass; Recitation, Lillian MacKinnon; Reading, Frank Jewell; Recitation, Priscilla MacKinnon; Recitation, Ray MacKinnon; Reading, Wallace Moreside; Recitation, Olive Williams; Reading, Stirling MacKinnon; Recitation, Evelyn Cass; Valedictory, Fred Jewell. At the conclusion of this program Santa Claus made his appearance on behalf of the school and first presented the teacher with a gold carved brooch, then each of the pupils was made happy by receiving a gift from off the Christmas tree. The teacher then assisted by Miss Loretta Collins treated all present with fruit and confectionary. Speeches were made by several present complimenting the teacher on the splendid work she had accomplished in the school in so short a time. The singing of God Save the King brought the Examination to a close.

**ADDRESS AND PRESENTATION.**—The closing exercises of Mount Herbert school was held at the school house on Wednesday afternoon last, at which a goodly number of parents and visitors were present, all of whom expressed themselves as more than pleased with the work done by their teacher, Miss Margaret Munn of Belle River. An excellent programme of patriotic songs, dialogues, recitations and readings were rendered by the children with credit to themselves and also to the teacher who spared no pains in training them. The school house was suitably decorated for the

occasion. Miss Munn, who has resigned her position as teacher of the school, by her lovable manner, had endeared herself to all scholars and parents alike, and will be sadly missed in the community, where she had taken such an active part in all social gatherings. The following address, accompanied by a beautiful hand-satchel, was presented to Miss Munn: Dear Teacher:—It was with deepest regret, we learned of your intentions of severing your connection with us. It was only a short time ago, we rejoiced in your engagement, now we grieve over your departure, but unexpected home duties demand your first attention. Still we cannot let you depart, without first expressing our deepest gratitude to you, who have so faithfully and conscientiously discharged your duties as teacher in our school. During your brief stay among us, you have, by your kind and gentle disposition, combined with your never failing patience (often under trying circumstances,) endeared yourself to us all. Also by your friendly and sociable disposition with all the rate-payers in the district, you have left behind you fond memories, which time can never efface. Rest assured, dear teacher, our best wishes shall follow you through life, and your name and memory shall be always foremost in our hearts from the eldest to the youngest, who had the pleasure of being a pupil under your charge. Please accept this little gift as a small token of our esteem, and wishing you a Merry Christmas and many, many of them. Signed on behalf of pupils of Mt. Herbert School.
