VERY REMARKABLE CURE OF DIARRHOEA. 'About six years ago for the first time in my life I had a sudden and severe attack of diarrhoea,' says Mrs. Alice Miller, of Morgan, Texas. 'I got temporary relief, but it came back again and again, and for six long years I have suffered more misery and agony than I can tell. It was worse than death. My husband spent hundreds of dollars for physician's prescriptions and treatment without avail. Finally we moved to Bospoke county, our present home, and one day I happened to see an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy with a testimonial of a man who had been cured by it. The result was wonderful. I could hardly realize that I was well again, or believe it could be so after having suffered so long, but that one bottle of medicine, costing but a few cents, cured me.' Constipation

Fruit is nature's laxative. Plenty of fruit will prevent Constipation, but won't cure it. Why? Because the laxative principles of fruit are held in peculiar combination and are very mild. After years of labor, an Ottawa physician accidentally discovered the secret process by which

Fruit-a-tives or Fruit Liver Tablets

are made. He used fruit juices, but by combining them in a peculiar way, their action on the liver, kidneys, stomach and skin is increased many times. 'FRUIT-A-TIVES' TABLETS contain all the medical properties of fruit—are a mild and gentle laxative—and the only permanent cure for Constipation, Torpid Liver, Sick Headaches, Bad Stomach and Kidney Troubles. All druggists have them. 50 cents a box. FRUITATIVES, Limited, OTTAWA.
