THE QUEEN'S COUNTY GUARDIAN

Head Offices in New Prowse Block, Charlottetown.

The Northumberland arrived last night at 8.50.

There was a noticeable falling off in numbers of arrivals in the City last night on train and steamer.

The Hospital Bazaar was again largely attended last night, a fine band program being rendered. The Bazaar continues all day to-day and evening.

The S. S. Halifax arrived at 2 o'clock this morning with the following passengers: A. Morrison, J. S. McDonald, Miss Woodridge, Miss M. Gillis.

The noticeable gloom prevailing on the streets the past few nights gave place to total darkness in the northern part of the city last evening, where complete darkness reigned in the houses much to the discomfort of inmates.

MASTER GOLDEN REEVES, son of Robert Reeves, Freeport, underwent an operation for appendicitis on Tuesday last and is now doing nicely. Dr. Jenkins of Charlottetown performed the operation assisted by Drs. McGuigan and Sutherland.

The steamer Hillsboro has successfully passed the inspection and received a certificate for twelve months without any additional repairs on hull or machinery. This is highly creditable to Engineer McFarlane who has been in charge since 1885.

READERS of The Guardian who have been puzzled in their efforts to distinguish by their appearance the different breeds of animals competing at the Exhibition, will find the excellent photo engravings of the different types of horses, cattle, sheep, and pigs published in today's issue an invaluable guide in assisting them to recognize the breeds.

A QUIET marriage ceremony was celebrated last evening at the residence of Matthew Stevenson, Richmond Street, when his daughter Miss Maggie L. was united in marriage to the Rev. G. R. White, with John Dewar, Kansas City, U. S. A. The bride was attended by her sister Miss Fannie E. and the groom was supported by John McLean of the Prince Edward Island Railway. Miss Stevenson is well and favorably known in this city and the groom was formerly a resident of Montague in this Province. The many wedding present evidenced the esteem in which the contracting parties are held by their city friends. Mr and Mrs Dewar expect to leave for their new home in Kansas City next week, and the good wishes of The Guardian and their many friends in Prince Edward Island follow them.

This is Knights of Columbus week in Charlottetown. On Tuesday evening a contingent of thirty members of the order headed by Grand Knight F. J. Cragg, arrived from Halifax, and on the same evening the train brought State Deputy Mahony and about a dozen Knights from St. John. On Wednesday forenoon the local and visiting Knights attended Divine service in St. Dunns' Cathedral, where a sermon, admirably suited to the occasion was preached by Father Hazelton, S. J. of Montreal. In the afternoon, fifteen candidates were initiated in the first degree, and in the evening the second and third degrees were splendidly exemplified on forty candidates, the former by Past Grand Knight J. F. Gallagher, and the latter by State Deputy Mahony, ably assisted by members of Charlottetown and Halifax Councils. Last evening a smoking concert was held in the rooms, in which speech and song were interspersed. This was followed by a dance, the lady friends of the Knights arriving on the scene at ten o'clock. A very interesting feature of the evening's program was the presentation of suitable medals to two distinguished members of the Halifax Fire Department, who accompanied the Charlottetown contingent of firemen to Summerside, as a recognition of valuable services rendered in staying the advance of the devouring element.
