damage, distress and depression always caused by irregular bowel action—all these beneficial results from the use of **Rexall Orderlies** help dispel gloom, improve the spirits and add to the joy of living. Very often they ward off serious illness, frequently result from continued constipation.

Their Easy Action

Rexall Orderlies are a common-sense remedy for bowel disorders. Easy in action, they do not purge, grip, nauseate or cause excessive looseness. They tend to tone and strengthen the delicate intestinal nerves and muscles, promptly relieve constipation and help to overcome its cause and make its recurrence improbable. In these things they differ from old-fashioned harsh, disagreeable pills, which usually give only temporary relief and often leave the bowels in worse condition than ever.

We particularly recommend **Rexall Orderlies** for infants and aged persons and for children. In vest-pocket size tin boxes. 12 tablets, 10c; 30 tablets, 25c; 80 tablets, 50c. Usual dose one tablet.

PORT ARTHUR STRIKE APPARENTLY BROKEN

PORT ARTHUR, May 18.—So far as appearances go the street railway strike is broken. Regular service has been given for some days on the main line and to-day service on the branch lines was started. The management announces that a night service will be commenced to-morrow. J. Gibbons, business agent of the Toronto Electrical Railway Employees' union, has arrived to negotiate on behalf of the men with the joint board. One of the imported strike-breakers quit the job to-day, telling the management he was going to Cincinnati, where a big strike is on, as it was too quiet here. He had recently come from the scene of the trouble in Mexico.

A SAD TRAGEDY

It often happens—your sore corn is stepped on. Why not use "Putnam's Corn Extractor." It cures in one day. Absolutely no pain with "Putnam's." Use no other, 25c. at all dealers.

When you get your cigars here you pick from a line of the best moderately priced smokes and you are sure they are in best condition as well.

We keep our cigars in a patent humidifier—not too moist, not too dry, just right, you will say so after trying them. We have Tuckett's Marguerite, Tuckett's Bouquet, El Presidente Maritana, Stonewall Jacks, n, Van Horne, Peg Top, all the famous makes.

Which Arsenate of Lead clings most tightly to the foliage?

Do not accept vague statements of "adhesiveness" but test it for yourself in this way—
C. Dry upon glass a few drops of spraying mixture made from Berger's Arsenate of Lead, and do the same with any other Arsenate of Lead spraying mixture. Then brush lightly with a camel hair brush.
C. All other brands of Arsenate of Lead will dust off with ease—but Berger's Arsenate of Lead will adhere very firmly to the glass.
C. When "adhesiveness" is claimed—remember this test.

Berger's "Mercury Brand" ARSENATE OF LEAD is death to all leaf-eating insects.

Write to-day for free useful booklet and full particulars of this BRITISH MADE Arsenate of Lead.
