

The ministers of the United Church of Canada at a special service in Eaton Memorial Church on April 19 are presenting Rev. Samuel Dwight Chown, D.D., L.L.D., with this above portrait of himself. The painting is from the brush of Mr. J. W. L. Forster and presents its distinguished subject as he is known to-day to many thousands of churchmen throughout Canada.

CHURCH AND POLITICS

Sir,—I do not know who "A. C." is, but suffice it to say, if A. C. are the correct initials of his name, they also are that of his attitude toward the Church, viz: Anti Churchman.

I have been affiliated with the Church for twenty-five years, ten of which have been spent in evangelistic and pastoral work, in consequence of which I believe myself capable of knowing the true mission of the Christian Church, (I use the term Christian Church in a universal sense) also its intrinsic value in moral issues.

"A. C." strikes the Christian Church a perfidious blow when he attempts to bias public opinion, and annoy church members and adherents against the advisability and legitimacy of "Church collections" being used to help bring about moral reform.

The Church is a missionary agency founded by that Divine personage whose glorious and triumphant resurrection we commemorate at this Easter time; Hence, its mission is to teach, not only salvation from sin, but also help to remove the vices that corrupt, debauch and deprave mankind and womanhood.

The Church has no place in politics. It has no mission as between political parties. This does not mean that the Church has no duty to prevent the use of government by selfish interests who wish to destroy the morals of the people for profit.

It does not suffice to say that if we preach Christianity all of these other questions will settle themselves. Christianity is a sovereign remedy for the ills of the individuals, but Christianity only affects the character of the State when its principles are recognized in government.

Biliousness and constipation come from a weak stomach

IF your Stomach and Liver are weak, your food is not digested. This causes food to be held up in your body. The usual result is constipation, which causes bad breath, headache and severe gas pains. For 54 years, people have sensibly corrected this condition by using Chamberlain's Tablets for the Stomach and Liver. They help the digestive organs stop chronic constipation. Get them at your druggist's, or send 25c to Chamberlain Medicine Co., Ltd., Toronto, Canada.
