New Spring Hats

We have endeavored for the last few years to be the first in the city to introduce new hats for the incoming season. It is with pleasure we again inform you that our first shipment of new hats the celebrated Buckley, England's best, is again the first new hat shown in the city. This hat is absolutely guaranteed by the makers and by us.

For young men we have the nobbiest line ever shown here in the new dented crown or college hats in the Fedora shapes. The new 1909 are the nobbiest ever shown by us.

This season we are going to make the hat business one of the strongest departments in our store. We have made arrangements with the Buckley hat manufacturers to send us each month a shipment of the newest lines as they are introduced in the large cities, in this way we will be enabled to give our customers the latest ideas in hats from month to month as introduced in London and New York.

You are cordially invited to inspect our new hats at the leading hat store in this city.

'LUCKY" PRIZE NIGHT

At New Wonderland This Evening. A Fine New Reel and Good Illustrated Song.

Prizes will be given tonight at New Wonderland for a novel contest. Two people entirely unconnected with the house have chosen three seats in the hall, marked them and know them. Now the persons who come to New Wonderland tonight, all stand a chance to get one of the cash prizes, which are as follows:—$2.50 in gold —$1.50, and $1.00. Those who are lucky enough to sit in the seats chosen will go away the possessors of the prizes. No one about New Wonderland knows which seats are chosen; only the persons who selected them are aware which they are. It's an easy way to get some money, and there is a good entertainment in along with it. So come and see who are the fortunate ones, and have a try personally.

The new reel tonight is "No Race Suicide" and "The Prize Camel." These are both sparkling comedies, and combined with the fine picture "Daughter of Erin" will afford amusement for all. As to the illustrated song, a singer is expected from Halifax, and local help is promised during the vacancy, so the song will be given just the same. Mr. Allison's unfortunate illness has caused an unforseen condition of things, but while he is laid by the management hope to have some one else at the latest on Tuesday, with good local supply in the meanwhile. Come and sit in the "Lucky Seat" tonight! Come and make the Saturday night audience as usual, the best of the week! And come and enjoy the mystery over who is going to be the lucky individuals. Come one and all, and the price is only five cents for good music, elegant pictures, and prizes thrown in.

Rev. J. F. Floyd, minister of the Central Christian Church, having made a tour of the world with his family, through the United States, Hawaiian Islands, Samoa, New Zealand, Tasmania, Australia, Ceylon, Egypt, Palestine, Italy, France and England, has been requested to preach a series of sermons on his trip, which he has consented to do on Lord's day evenings, under the general heading, "Our Tour Around the World." These sermons will be strictly gospel sermons, the descriptive parts being used to illustrate and enforce Scripture truth, and thus the main purpose of preaching, which is to save souls and edify the Church, will be kept constantly in view. The speaker will reserve the right to make any changes in the series that necessity might demand. The present series will be confined to that part of the tour covered by the bible lands.

JAM WAS RENT LIKE A RIBBON

NIAGARA FALLS, Ont., Feb. 3.—One of the greatest sights in ice jams probably ever seen occured in the chasm below American and Horse Shoe Falls at about 10.30 o'clock yesterday morning, when the great ice bridge of 1909 was carried away and with it a half-dozen refreshment and souvenir shacks, the occupants of which barely escaped from being carried down the river on the floe. The ice from Lake Erie for the last few days has been flowing over the Horse Shoe Falls in millions of tons, filling the river from the ice bridge almost to the base of Horse She Falls, the falling waters pounding it down under the ice bridge with such irresistible force that finally the great jam, which was from 300 to 400 feet in depth, was rent like ribbon with a force of jumping waters.

This Well Known Advocate States

His Doctor Advised Him To Take Dodd's Kidney Pills,

And He Found Them to be all They were Advertised—How and Why Dodd's Kidney Pills Cure

MONTREAL, QUE., Feby 5. —(Special).—"Dodd's Kidney Pills were recommended to me by our family physician, and I must say they have proved to be what they were advertised."

This statement made by L. J. R. Hubert, the well-known advocate, of 214 James Street, it a double tribute to Dodd's Kidney Pills. It shows that they are recognized by reputable medical men as a peerless remedy for diseases of the Kidneys and also that they are now looked upon as a standard medicine by the best people in Canada.

And the reason of this is that they do just what they are advertised to do. They cure diseased Kidneys and put them in condition to clear all impurities out of the blood. They cure Bright's Disease, Diabetes and Backache, because these are Kidney diseases. They cure Rheumatism, Lumbago and Heart Disease, because these are caused by impurities in the blood that the Kidneys would strain out of the blood if they were in good working order. If you haven't used them yourself, ask your neighbors about Dodd's Kidney Pills.

HORSE NOTES.

Horsemen all over this Province express sympathy with Frank Beales of this City, in his loss of his thoroughbred mare Princess Chimes, whose death occurred, from rough passage, between Boston and Halifax, while en route to this City. Princese Chimes carried here eleventh foal, with ten in the list with one Lady of the Manor, with a record of 2.04. Mr. Beale's loss is estimated at $1500.
