SOURIS. THE SEASON FOR Coughs and Colds
Is at hand and everybody is liable to catch them. Of course, you may get a sore throat, a box of cough drops, have mother make some lax seed tea with a stick of licorice in it, rub on some stank oil and turpentine, take a dose of kerosene, and if it is this fat you may ask your neighbor what he used, etc. These remedies may be all right to use at times and under certain conditions. But if they fail to give relief, why do you go on experimenting when you can get almost instant relief with my **Compound Syrup of White Pine with Eucalyptol and Honey.** which is scientifically prepared, absolutely harmless to even the smallest child, and every bottle of which is guaranteed. Give it a trial! Your money back if not satisfactory.

ALL NEWS OF LOCAL INTEREST

Reporters and Correspondents Everywhere.

Miss Argelina McCormick, Selkirk returned from York last evening where she had been spending a few days, the guest of David Swan. She was accompanied by Miss Laura Swan.

The time is drawing nigh—the event of the season takes place on Thursday evening. The grand bazaar and tea in St. James' Hall—New features—special attractions—music etc. Admission only ten cents.

Murdock McLod, Bonshaw, was in the city yesterday. Mr. McLod came by the ice from Bonshaw Bridge and reports ice in good condition. The mud diggers are still working about four miles below Bonshaw and continue to land mud at the bridge.

The ladies of St. James' Church are determined to eclipse all past efforts in the bazaar here. Handsome and unique booths have been erected to display their stock of fancy goods. It will more than repay you to spend tea cents and see the grand display and decorations.

The many friends of H. W. and Mrs. Mellett sincerely sympathize with them in the deep affliction through which they have just passed. At two years ago they lost their daughter after a brief illness, and on Saturday last the angel of death carried off the second child, Walter, at the age of six years and six months. He had not been feeling well for some time but was not taken seriously ill until arriving home from P. E. I. The cause of demise was a complication of diseases. The interment took place on Monday at the Wetaskiwin cemetery—Wetaskiwin Times, March 24. Mr. and Mrs. Mellett formerly belonged to Union R. M., having removed to Wetaskiwin about nine years ago. They paid their old home a short visit during the past winter.

The concert and social held in Harrington Hall on the 21st March, was a complete success. The program was lively and entertaining, largely contributed by friends from the city, who performed their parts admirably. Instrumental music and readings were given by Miss Stewart, Miss Ross, Miss Gillis and Eddie Munn. Songs, banjo solos, hand-drills and acrobatic performances, in novelty and skill, delightful to all, were rendered by the Payne Brothers and associates, McLean, Blanchard, Dillon and others. Little Annie Wright of Harrington captivated the audience by an excellently graceful exhibition of the Highland Fling. The committee wish to convey their thanks to all the performers and to the friends from all parts, who by their patronage contributed to the success of their efforts. The sale of baskets realized \$55 over and above all expenses.

A SPRING NEED.
Indoor Confinement in Winter Hard on the Health.

Ninety-nine people out of every hundred actually need a tonic during the spring months, and the hundredth person would make no mistake if he too infused a little extra vigor and power into his blood. The reason for this condition is quite apparent. In the desire to escape the colds and influenza which are so common during the winter months, ventilation is sacrificed, and the health is impaired. There may be nothing seriously wrong, nothing more than a variable appetite, little pimples or eruptions of the skin, a feeling of weariness and a desire to avoid exertion; perhaps an occasional headache. These may not seem serious; perhaps you may think that the trouble will pass away—but it won't unless you drive it out by putting the blood right through a health-giving tonic. And there is only one blood-renewing, health-giving, nerve-restoring tonic—Dr. Williams' Pink Pills for Pale People. Over and over again it has been proved that these pills cure when other medicines fail and thousands of grateful people testify that they are the best of all spring medicines. Miss D. Brown, Collins, N. E., writes: "I have used Dr. Williams' Pink Pills for a run down system, and have found them better than any other medicine I have tried. In the early spring my blood was out of condition and I had such dizzy spells that if I turned quickly I would almost fall. I took Dr. Williams' Pink Pills for a few weeks and the trouble entirely disappeared. I think these pills an ideal spring medicine."
If you want to be healthy in spring don't dose your system with harsh, gripping purgatives, and don't experiment with other so-called tonics. Take Dr. Williams' Pink Pills at once and see how quickly they will banish all spring ailments. Sold by medicine dealers everywhere or sent by mail at 50 cents a box or six boxes for \$2.80, by writing the Dr. Williams' Medicine Co., Brockville, Ont.
