

YOUR LAZY LIVER

Needs stirring up this Spring.

Nothing can do this so effectually and remove every trace of impurity from the system as Laxa-Liver Pills.

The past winter has been a rather hard one. People living indoors a good deal, eating quantities of meat and heavy foods, are likely to have their system clogged up with impurities. No one can feel well with these poisons circulating in the blood. The head feels heavy, the tongue is coated, appetite poor, bowels constipated—no energy, mental or physical. Laxa-Liver Pills are what everybody needs this spring. They relieve the constipation, act on the sluggish liver, clean the coated tongue, improve the appetite, purify the blood, clear the cobwebs from the brain and make the whole system feel buoyant and full of energy. And they work so perfectly that they do not gripe or pain, sicken or weaken, or cause the slightest inconvenience. Price 25c. a bottle, or 5 for \$1, at all druggists. Say you want Laxa-Liver Pills, for there's nothing else as good.

The "D & A" Corsets are designed on scientific principles. They are easy and graceful. While giving firm support they permit perfect freedom in every movement. Made of the finest material and beautifully finished.

From \$1.00 to \$3.00 per pair.

Be on Guard!

THE BEST is always imitated. Dodd's Kidney Pills, sold only in boxes like this, are widely imitated, because they are the best kidney cure. Take none but

Fountain of Health and New Life.

Paine's Celery Compound is the Mightiest and Most Effective of All Known Spring Medicines.

'Tis an Eminent Physician's Prescription.

Edward E. Phillips, M. D., L. L. D., a leading professor in the celebrated Dartmouth Medical College first prescribed what is now known in every home of the civilized world as Paine's Celery Compound, a positive cure for the common ailments and diseases of spring, such as blood troubles, kidney and liver complaints, dyspepsia, nervous diseases, neuralgia and rheumatism.

As a spring medicine, Paine's Celery Compound now occupies first place in the estimation of medical men. It has been tested by members of the profession in cases where ordinary prescriptions have failed, and in every instance the wonderful compound has maintained its claims and banished diseases.

The action of Paine's Celery Compound on the nervous system in spring time is marvellous in health producing results. It quickly purifies the vitiated and impure blood, braces the nerves, rebuilds the tissues, adds to flesh and weight, increases the appetite, augments the powers of assimilation, and keeps the whole digestive organism in proper repair.

Paine's Celery Compound has done a grand work for millions in the past. Surely this is the best guarantee for those who are now ailing and physically broken down. Every city, town and village in the vast Dominion can furnish its proofs of the virtues of Paine's Celery Compound—well attested cures.

A few bottles of the great spring medicine used at this time will give to every man and woman the blessing they are so earnestly seeking—true health.
