WHAT SECRET in her past made her a RUNAWAY BRIDE?

Dr. GILLESPIE'S NEW ASSISTANT BARRYMORE

Original Screen Play by Henry Barish, Adapted and Directed by Wm. Goldwyn

NEWS—SHORT SUBJECT SHOWS 7.30 and 9.15 THURSDAY AT 2.30

CAPITOL Summerside

BARRYMORE AND TRIO OF NEWCOMERS SCORE IN "DR. GILLESPIE'S NEW ASSISTANT"

Medicine and mystery, psychology and good old-fashioned sleuthing combine in M-G-M's "Dr. Gillespie's New Assistant" to produce one of the most entertaining pictures of the present series.

Seen last night at the Capitol Theatre, the new offering presents the perennial Lionel Barrymore as the kindly doctor, with Keye Luke, Van Johnson and Richard Quine as three strivers for the post of his needed assistant.

To test their ability, he details them to the handling of a puzzling case, one that so far has not responded to medical treatment.

The patient is the very competent and good looking Susan Peters, Miss Peters is seen as a young bride, the sufferer from the unsentimental ailment, and who, in Dr. Gillespie's efforts to aid her, is eventually forced to admit that her illness was feigned and that she adopted this device to conceal what she had imagined to be a dark episode in her life.
