Remarkable Cure Of Amherst Boy

The following letter is taken from the Amherst News, and should be of interest to our Island people.

50 Hickman Street,
Amherst, N. S.

Dear Sir,—Our little boy suffered from asthma for about two years and had fainting spells on several occasions. This caused us much worry as we could get nothing that would give relief. His great distress kept us awake night after night and we almost despaired of ever finding a remedy.

Early in September we heard of the Farador and the claims made for it seemed quite convincing, so we decided to try it. The result was quite beyond our expectation. The first evening it was applied the child slept all night. Improvement continued with each application and in consequence the distress is relieved. His health is wonderfully improved and we all get our sleep.

We are more than glad, Mr. Enman, that you came here with the health-imparting Farador and we are giving you this letter in order that sufferers may know how to find relief. We cannot recommend the Farador too strongly.

Your sincere friends,
Mr. and Mrs. Otto S. Baird.

The foregoing letter is addressed to Mr. W. E. Enman, 266 Sydney St., Charlottetown. Ask for literature.

PRODUCE

(Canadian Press)

MONTREAL, March 6—A further sharp drop in egg prices featured today's trading on the Montreal dairy and produce market as declines of from five to six cents were recorded, bringing the aggregate drop in prices since last Tuesday to 18 cents a dozen. The market closed today at 27 to 28 cents a dozen for A large, 26 to 26 cents for A medium and 24 to 26 cents for A pullets. Mild weather and increasing production have caused the slump. Receipts today totalled 3,781 cases. Last Tuesday's 778 cases were offered for sale.

The butter market remained quiet, quotations on No 1 grade holding at 29½ cents a pound, unchanged to slightly easier from yesterday's levels. Arrivals totalled 237 boxes.

The cheese market was generally 11 cents a pound for current make Ontarios, compared with yesterday's quotations of 10 to 10½. A total of 67 boxes was offered for sale.

Potatoes ranged from $1.15 to $1.25 per 80 pound bags of Quebecs and New Brunswick mountains. Prince Edward Island mountains brought $1.45 to $1.50, about 15 cents more than yesterday.

GRAIN

(Canadian Press)

CHICAGO, March 6—Owing largely to lack of aggressive buying rather than to any material pressure to selling grain values averaged lower today.

Uncertainty over proposed legislative measures at Washington and as to grain code developments kept the wheat market within narrow limits. Crop advices were regarded as generally favourable, and in particular a comprehensive summary from railroad sources covering Kansas, Oklahoma and Texas.

Wheat closed unsteady, ½-¾ under yesterday's finish, corn ⅝-½ off, oats ⅛ to 1 cent down, and provisions at 7 to 17 cents declines.

WINNIPEG, March 6—Wheat prices ambled over a narrow range on the Winnipeg Grain Exchange today and at the close of the listless session were ¼ to ⅝ cent lower.

May wheat closed at 60¼ with July at 70½ to ¾ cents. Liverpool prices eased and this together with a small demand gave the market an easier trend in the closing stages.

Pit operations were small. Export sales were estimated at about 250,000 bushels. Chicago offerings and hedges against farmers' deliveries to country elevators made up most of the light selling.

Liverpool reported easiness due to fear of liquidation in North America and to reliable reports Argentine wheat now arriving was of higher quality. Closing quotations in the English market were ¼ to ⅝d lower. Chicago had a similar trend to Winnipeg.

There was no change in cash grains spreads and coarse grains quotations suffered from lack of interest.

MINING

(Canadian Press)

TORONTO, March 6—The big leaders of the Toronto Stock Exchange mining section held firm today and closed with narrow gains in the gold and base metal groups, shaking off the influence of a reactionary tone on the New York market and also considerable profit taking locally. It was another big day for volume, 2,082,000 shares changing hands.

The senior gold shares remained steady or receded lightly in the early part of the session but firmed well in the last hour. Dome closed at 37.-90, up 40 cents. McIntyre gained 25 to 43.75, Lake Shore 35 to 47.85, and Pioneer 40 to 12.40. Wright Hargreaves dropped 10 cents and Teck closed unchanged at 6.70.

Sunday, March 3rd the 3rd Sunday in Lent the services at the Church of the Holy Trinity were as follows: Both Matins and Evensong were conducted by Capt. W. B. Allison, C. A. At Matins, Capt. Allison chose as his text "For the word of the Cross is to them that perish, foolishness, but with them that are saved it is the power of God", 1 Cor. 1-18. At Evensong, the Capt. spoke from 1 Peter 5-7 "Casting all your care on Him, for He careth for you". Theme—"What's the use of worrying?" The speaker first pointed out how that many good and sincere christian people are beset by worries, which unable them to live happily. Worry is not something peculiar to our day and generation. Jesus observed its presence and a portion of the Sermon on the Mount dealt with it as we often read. The speaker went on to show how worry—injured the physical health, deprived the mind of its creativeness, spoiled our peace and confidence. It upset the true perspective of life and its values. The Capt. said that the one major suggestion that he should like to make concerning the matter of worry. "Everything that threatens to give undue anxiety should be taken to God". "Seek ye first the Kingdom of God and His righteousness". That's the first step in solving the problem—There is no question of our worrying if we could learn to do this. The matter of worrying then rests on our Faith with God and our willingness to commit all to Him.

IN MEMORIAM

JOSEPH DAVID HUGHES

There passed peacefully away at Avondale after a long period of illness in the early hours of February 8th, Joseph D. Hughes at the early age of 47 years. Although in poor health for two and a half years, death came as a great shock to his wife and children and to the surrounding country.

In the passing of Mr. Hughes the community has lost a citizen of whom it was justly proud for all recognized in him a man of excellent qualities, in business he was honourable, his word was his bond, in friendship sincere, and in all things he was noble and admirable. While only a young man he identified himself with any movements within his reach whose aims were to develop the country, uplift humanity and encourage the spirit of others, and his efforts were not fruitless. And it can be said of him no one, young or old, rich or poor, ever left his home in want of food or shelter.

There are left to mourn besides his heartbroken wife, three sons and three daughters, namely, Leonard, Allan, Arthur, Imelda, Laura and Anna, and one brother, Peter at home, also four sisters, Mrs. Mary Seale and Marguerite of Charlottetown, Georgenia of Boston (Agnes) Mrs. Bernard McIsaac of Waterville, Maine.

He leaves them as uttermost request stainless record that all men may read.

The funeral which was held from his home in Avondale, on Saturday February 10th to St. Joachim's Church, Vernon River was largely attended and was conducted by his Pastor, Rev. P. D. McGuigan who visited him during his illness and administered to him the last rites of the Holy Catholic Church of which he was a devoted member. The pall bearers weere his most intimate friends, Alphonsus O'Donnell, Alphonsus Keoughan, Terrance McInnis, John P. Delaney, Patrick Wood, Agustine Wisner.

May his soul rest in peace.

WILTSHIRE HOCKEY

MAPLE LEAFS 4; HAWKS 3.

Hartsville Maple Leafs, playing without their star right winger, "Hum" Dougherty, out-skated, outplayed and out-scored the Wiltshire Hawks, to eliminate them from further competition, in the most thrilling encounter of the season on Thursday, March 1st.

Donald Nicholson who has been playing consistent but not spectacular hockey all winter scored two quick goals in the third period to give the Leafs their margin.

Play opened slowly in the first period but soon livened up as both teams anxiously strove for the opening marker. Hartsville claimed a goal in this period but the goal judge decided otherwise.

The Hawks opened the scoring in the second period when George MacLean lifted E. Deacon's rebound over the prostrate Hartsville goalie. The hopes of the Hartsville fans were dashed still further when Emerson Deacon circled the Leaf net and pushed the puck into the corner of the cage for the second goal. Towards the end of this period, Roy Nicholson, right winger of the Leafs and the most effective man on the ice beat Balderson cleanly on a pretty play after being robbed at the goal-mouth on previous rushes.

Shortly after the third period opened Everett MacLeod who had been skating like a demon all evening dented the draperies for the lying counter. Peter Nicholson, Leaf goalie who, by the way, made some spectacular saves was the victim of a tough break when a rolling puck from the stick of Keith Johnston eluded him to give the Hawks the lead once more. The Leafs then turned on the heat, and after a fancy passing bout inside the Hawk blueline Donald Nicholson beat Balderson from close in. The Leafs, still playing four men up the ice harassed the Hawk goalie from all angles. Harry Balderson moved quickly to block Everett Nicholson's wicked waist-high shot from left wing but before he could regain his equilibrium Donald Nichloson blasted the rebound into the meshes to end the scoring.

Maurice Curley, although not figuring in the scoring played sensational hockey both defensively and offensively for the Leafs.

Harry Balderson, Jim Thompson and Emerson Deacon starred for the Hawks.

Keir Warren refereed to the satisfaction of all.

The line-ups are as follows:

Maple Leafs: Goal, Peter Nicholson; Defence, Maurice Curley, Donald Nicholson, Herbert Thompson; Forwards, Roy Nicholson, Everett MacLeod, Everett Nicholson.

Hawks: Goal, Harry Balderson; Defence, George MacLean, Bruce MacDonald, Baden Balderson; Forwards, Jim Thompson, Emerson Deacon, Keith Johnston, Earl Campbell, Neil Campbell.
