THE SCHOONER Blake, Capt. McLean, has arrived from Picton and is now discharging two carloads of St. John's Lime in casks and barrels, one car load of flour and bran, one car load of cornmeal and cracked corn, one car load Portland Cement for Wright Bros., Victoria. 9885-5-23-M31.

PLUCKY SOLDIER LAD.—Mr. G. W. Crag of this City, who resigned his position in the Royal Bank, to enlist for overseas service in No. 5 Siege Battery and who was obliged to undergo a surgical operation to fit himself for the work of a gunner, is now out of hospital and it is pleasing to note that he is completely recovered.

EXCHEQUER COURT.—Judge Louis A. Audette will arrive in Charlottetown this week to preside at the meeting of the Exchequer Court on Thursday, when the case of The King vs. Edward E. Crosby will be heard. This is a case to settle damages and value of lands expropriated at Carleton Point. Mr. A. E. Arsenault will appear for the Crown and Messrs. McLean and McKinnon for Mr. Crosby.

DANCING PARTY.—Reserve Wednesday night, May 31st, for the dancing party to be held in the hall formerly occupied by the Knights of Columbus. Best time of the season. 9895-5-23Mt.

COMING TO ST. JOHN.—Rev. Neil McLaughlin, brother of Mr. John McLaughlin of this City who has accepted a call to Portland Methodist church, is expected to arrive in St. John from Bermuda on July 16.

ARBOR AND EMPIRE DAY.—In the city schools today Arbor and Empire day will be fittingly observed. There will be the usual programme of suitable recitations, songs, addresses, etc.

HOME COOKERY SALE.—In reference to the item regarding the sale of home cookery in yesterday's Guardian it should be stated that the sale was conducted jointly by the ladies of both Grace and First Methodist churches for Red Cross purposes.

ICE ALONG THE COAST.—The ice still clings to the island shores. It was in as far as Neutrage on Sunday and was still there yesterday. There are large quantities of ice extending as far southward as Georgetown and Cardigan, besides a large strip off Wood Islands.

RACES AT NEW GLASGOW.—Tomorrow races will be held at New Glasgow in which a string of at least five island horses will take part. Mr. Hammond Kelly, Mrs. Lady Patten and Oakley H. and Mr. Stanley Wedlock will take over Derby and Lord Kitchener.

TRENCH DIGGING.—The men of the 105th Battalion, under the command of Colonel Ings, have started an important feature of war training, viz., the digging of trenches. Yesterday a number of Zig-zag trenches were dug back of the Kegginston Range. This work will be continued and the men initiated into the full mysteries of trench-digging as done in the battle-grounds of France and Belgium.

AVOID CONGESTION.—Owing to the limited warehouse accommodation at the Marine Wharf for the storage of freight, Charlottetown merchants are respectfully but earnestly requested by the railway authorities to remove their goods with the least possible delay after arrival, and thus save storage charges. The Railway people would, however, much prefer the floor space to the storage.

A HANDSOME SODA FOUNTAIN.—Foster's bright and up-to-date confectionary store, situated at the corner of Kent and Rochford Streets has just installed a handsome new soda fountain, which is to say the least a gem. It is the last word in soda fountain construction and was built by the McLaughlin Company of Toronto. The fountain is of beautiful nickel finished design, being mounted by a masterpiece of small statuary. Within this piece of small statuary within a globe a spray of water is kept constantly flowing and the effect especially when the two electric lights on either side are turned on is very attractive and pleasing to the eye. Mr. Foster carries a full assortment of all the very choicest flavors and those having thirsts which need quenching will make no mistake in bringing them to Mr. Foster's very commodious soda water Emporium. Next week Mr. Foster will have his ice-cream parlors in full operation. His ice-cream has already won for itself a reputation for high quality second to none. By all indications the west end head quarters for good things is going to do a record business this summer.
