OWING to the small attendance last night at the regular quarterly meeting of the Board of Trade, it was decided to postpone the meeting, date to be fixed by the Council of the Board. At the informal meeting Mr. R. B. The location of the new railway station and freight rates were also talked over.

THE Halifax Recorder says: Football weather is generally unpleasant, and Saturday morning was rainy, cool and most disagreeable. The junior game between Dalhousie and Y. M. C. A. took place on the Y. M. C. A. grounds. There was more than usual interest in the game, as Dalhousie holds the junior championship, and it was known that the Y. M. C. A. were entering the league this year with the laudable ambition of striving to become champions, so as they might apply for a position in the senior league. They started out well by climbing the first rung of the ladder to reach the top by defeating the champions 3 to 0, but not without the collegians making as plucky a fight as ever seen on the football field. The Y. M. C. A. certainly richly deserve their success; they first entered the league with a weak team, but have pushed steadily forward until they have got a team which will be a big factor in the race, if they do not secure the championship.

MARRIED

On the 29th September, at the manse Valleyfield by Rev. M. MacLean, John Alex MacPhee to Florie A. Gillis both of Caledonia.

DIED

On October 10th, at the home of her son-in-law, James McMahon, Charlottetown, Margaret Ready, dearly beloved wife of Thomas Noonan, of Albany, aged 71 years.

At Murray Harbor North, 18th Sept. 1900, Mrs. Catherine McDonald, the dearly beloved wife of Alexander McDonald, aged 53 years. The departed lived a quiet, meek christian life. It might be truly said of her that she adorned the christian life by her meek and quiet spirit. Sometime before her departure she had great comfort in meditating and appropriating by faith several passages in the 11th chapter of the gospel according to St. John and the 103 Psalm. When the messenger of death came it was to her the voice of the Master calling her home to the house of many mansions. She has left behind her a large circle of friends, a sorrowful husband and four sons and two daughters to mourn the loss of a loving mother.

Mania for Operations

Among the Doctors. No Need of the Knife to Cure Piles. A Surer, Cheaper Easier Way, Dr. Chase's Ointment.

Dread of the surgeon's knife causes multitudes of people to suffer on year after year with piles, when they could be cured without risk, expense, or danger of an operation by using Dr. Chase's Ointment, the only preparation guaranteed to cure any case of itching, bleeding, or protruding piles.

Rev. J. A. Baldwin, Baptist minister, Arkansas, Ont., writes: "For over twenty years I was a great sufferer from itching and protruding piles. I used many remedies and underwent three very painful surgical operations, all without obtaining any permanent benefit. When about to give up in despair I was told to use Dr. Chase's Ointment, and did so, finding relief at once. I used three boxes, and am almost entirely cured. The itching is all gone. I have advised others to use it, believing it would cure them as it has me."

Dr. Chase's Ointment is the only positive and actual cure for every form of piles, 50 cents a box, at all dealers, or Edmansson, Bates and Co., Toronto.
