

Why do Some Women Grow Homely so Soon?

That's a question we ask ourselves every day as we watch the daily crowd in great cities, in villages and towns. Women nowadays begin to lose their good looks before they are twenty-five; the lustre leaves their eyes, and the color their cheeks, and in its place comes dullness, sallowness, muddiness, or any unhealthy pallor—and presto! beauty is gone.

Wives and daughters, you do not take proper care of yourselves, that's why your good looks vanish. Our grandmothers and great grandmothers were wiser in their generation than are we today. They did not allow themselves to be so driven as we are, for their steady, continued health gave them strength enabling them to keep abreast of their work which, when it was finished, left them tired, but happy, not as we find ourselves today, bilious and constipated and generally forlorn.

Their secret will be found in the regular use of herb teas, prepared among them being preparations of clover tops and clover roots. These kept their digestion in good trim, and so made their blood pure and muscles strong. That's why they were so nimble on their feet, and could do their own housework till they were three-score and ten!

Karl's Clover Root Tea revives the use of this wonderful plant in our generation; its formula, prescribed by a famous German physician, is printed on every package. "The proof of the pudding is in the eating." Why not try this grand remedy? We guarantee your cure or money refunded. Write to S. C. Wells & Co., 52 Colburn Street, Toronto, Ont., and they will mail you a sample free of charge. Sold throughout the United States and Canada at 25c. and 50c., in England, 1s. 6d. and 2s. 3d.

McKINLEY BROS

Queen Street

S'SIDE AND PRINCE CO.

Mrs J. A. Sharp, returned yesterday evening from California where she spent the winter.

The regular monthly meeting of town council was held last night. Apart from regular routine there was no important business.

The Campana arrived here yesterday evening from Montreal bringing considerable freight. After discharging which she left about 8.30 for Pictou and intermediate ports.

AMONG the arrivals by the Campana yesterday evening was a handsome pony purchased in Montreal by Mr. Allan Parsons. The animal is something larger than a Shetland pony and is a little beauty.

REV. THOS. HICKS and Mrs. Hicks of Tryon were in town yesterday. At the close of the present conference year Mr. Hicks will leave Tryon, much to the regret of his people. After a very successful pastorate of four years. This will also complete his tenth year of continuous service in the Summerside district.

WHAT came near being a serious fire occurred at North Bedeque last Friday. A little son of Mr. Thomas McMurdo, while playing near the barn started a fire in a quantity of straw. The fire extended to a stack before being discovered and threatened the barn and outbuildings. A number of neighbors came to Mr. McMurdo's assistance and after several hours hard fighting succeeded in extinguishing the fire. Mr. McMurdo's hands were pretty badly burned.

A PECULIARLY sad and sudden death occurred in Summerside Sunday evening. Mrs. John Palmer, whose husband and son are away from home, was stricken with paralysis sometime after retiring Saturday night. The only other inmate of the house was a little granddaughter, aged about five years who was sleeping with her. Sunday evening some of the neighbors were attracted by the crying of the little one and going to the door found it locked and the child unable to open it. Entry was effected through a window and Mrs. Palmer was found lying unconscious in bed. Medical assistance was at once procured but she died within an hour. She was 62 years of age.

TO CURE A COLD IN A DAY.

Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. 5c. E. W. Grove's signature on each box.

The friend—They say he had to settle \$250,000 on his eldest daughter because of a mole on her forehead.

The Fool—That was a cause of spot cash.

SHE WAS SAVED

From days of agony and discomfort, not by great interpositions, but by the use of the only sure-pop corn cure—Putnam's Painless Corn Extractor. Tender, painful corns are removed by its use in a few days, without the slightest discomfort. Many substitutes in the market make it necessary that only "Putnam's" should be asked for and taken. Sure, safe harmless.

Poppinjay—What did your father say when he saw me kissing you in the hall last night? Was he very angry?

"THE NOBLEST MIND."

The best contentment has. Yet, however noble in mind, no man or woman can have perfect contentment without physical health. The blood must be kept pure and the stomach and digestive organs in good order. The best means for this purpose is Hood's Sarsaparilla. It promptly cures all blood humors and eruptions and tones up the system. The favorite cathartic Hood's Pills, 25c.

Melissa Ann—Oh, no; pa wasn't mad a bit. It only made him sick, so he told ma.

ITCHING, BLEEDING PILES

Mr. W. G. Phyll, proprietor Bodega Hotel, 36 Wellington Street East, Toronto, says: "While living in Chicago I was in a terrible shape with itching and bleeding piles, I tried several of the best physicians and was burnt and tortured in various ways by their treatments to no avail, besides spending a mint of money to no purpose. Since coming to Toronto I learned of Dr. Chase's Ointment, I used but one box and have not been troubled with piles in any shape or form since."

"I wish I knew how to manage my husband."

HOW ONE GETS BILIOUS

A sluggish liver fails to filter the bile from the blood, and when the poisonous matter goes through the body in the circulation, the whole system is tainted and deranged. This is called biliousness and can be completely cured by Dr. A. W. Chase's Kidney-Liver Pills, which act directly on the liver, making it healthy and active. One pill a dose, 22 cents a box. The cheapest medicine in the world.

"Why don't you make him think he is having his own way?"
"Oh, I do! But I want him to think that I think he is having his own way!"

NEWLY INTRODUCED

Sensation caused in Barnaby River, N. B., by Dodd's Kidney Pills. Barnaby River N. B., May 14—Quite a sensation has been caused here lately by the introduction of a new medicine—Dodd's Kidney Pills. Although there had been many deaths in this village and surrounding district from Bright's Disease and other kidney troubles, yet strange to say Dodd's Kidney Pills had never been tested. Our people had little faith in patent medicines.

Now, however, Dodd's Kidney Pills are creating a sensation. A large number of people are using them and expressing surprise and delight at the result. "From the first week I began to improve," says Cornelius Christie, of Barnaby River, who had been given up by the doctors. The fact seems to have surprised him, but it is always true where Dodd's Kidney Pills are used.

\$8.50, 9.50, 11.00 and 12.00

See what we can do for you.

D. A. BRUCE'S

PUBLIC NOTICE

Bridge Across the Hillsborough

Owing to objections to the proposed location, delay has been caused in the work on the new Bridge

TENDERS

Will be asked sometime for constructing this bridge. We do not propose making tender, our line of BRIDGE WORK is confined to Teeth. Modern Dental Science has devised means by which decayed teeth or roots may be utilized and new sound teeth placed on them; it isn't necessary to wear cumbersome plates that too often are unserviceable or ill fitting. Dental Science overcomes this by BRIDGES, by which the gap between two or more teeth or roots is bridged over by Artificial Teeth, making them just as good as every way as your own natural teeth would be.

We would like to show you specimens of our Bridge Work, and to treat you to the many advantages of it. We manufacture it ourselves and you don't have to loose any time in having it put in, and by making it ourselves, we are in a position to fully guarantee it in every way.

All work done in a painlessly pleasant way, and we are the acknowledged finest fitted Dental Establishment east of Boston, and equal to the best anywhere.

Call and see us. It is a pleasure to us to illustrate our Work and Methods.
