CROP REPORT

Below will be found a brief synopsis of telegraphic reports received at the Head Office of the Bank of Montreal from its Branches. The Branch Managers have complete and intimate knowledge of each local situation and in close touch with crop conditions in all sections of the districts mentioned.

GENERAL.

Kindly weather conditions are favoring the crops in the Prairie Provinces and encouraging an optimistic outlook in practically every district. General rains followed by cool cloudy weather have had highly beneficial effect and with the present warmer weather growth is rapid, some districts reporting that wheat is already in the short blade stage. In Quebec Province while the crops made a late start they are now progressing well with ideal growing weather prevailing. In Ontario all grain crops have shown great improvement during the past two weeks due to excellent growing weather. In the Maritime Provinces conditions generally are favourable though warmer weather is needed and in some sections of New Brunswick rain as well. In British Columbia all conditions are good and the crops are doing well. Details follow:

PRAIRIE PROVINCES.

ALBERTA WESTERN AND NORTHEASTERN AREAS. Prospects continue excellent with ample moisture reserve. Pasture is abundant and a hay crop above the average is assured. Sugar beet crop is in a healthy condition with thinning well advanced. **ALBERTA SOUTHEASTERN AREA.** Crop conditions continue favourable following further heavy rains and the outlook is promising. **SASKATCHEWAN NORTHERN AREA.** Recent rains have provided ample moisture and are making satisfactory progress. Wheat is approaching the shot blade stage. **SASKATCHEWAN SOUTHERN AREA.** Abundant moisture has been received from heavy rains and crops are well advanced. Many wheat fields are in shot blade stage. While growth is uneven and weeds prevalent in some districts, crops generally are in a satisfactory condition and prospects are favorable. **MANITOBA DISTRICT.** Recent heavy rains have provided ample moisture to last for two or three weeks. There has been some flooding in the Red River valley but the damage is not extensive. Crops are making good progress and the present outlook is satisfactory.

PROVINCE OF QUEBEC.

Grains and root crops are in urgent need of a period of warm dry weather. Grass pasture and hay meadows are in good condition. Fruit trees blossomed satisfactorily and prospects for an average yield are good. Tobacco planting is in progress under favourable conditions.

PROVINCE OF ONTARIO.

Fall wheat is heading out with a fair length of straw and while there is some winter kill an average crop is expected. Spring wheat, oats and barley, while a little backward, are very promising and with favourable weather should be good average crops. Corn looks good and while doing fairly well is in need of warmer weather. Hay has done well lately but indications point to a crop below the average. Root crops are doing well, especially potatoes of which there is a large acreage. Tobacco planting is practically completed and the plants have received a good start. Ontario grown strawberries are on the market; the crop is fair to average. Prospects are excellent for a good crop of apples, cherries and peaches. Pasturages have improved wonderfully and are now good.

MARITIME PROVINCES.

In the eastern sections and especially in Nova Scotia pasture is particularly good and a heavy crop of hay is expected. The potato acreage will exceed both last years and the five average. In Prince Edward Island potatoes show a good growth with no missing with 30 000 acres of crop lifted as compared with 25 000 last year. It is early to judge, but in the Annapolis Valley apple bloom indications are for a heavy crop of Gravenstein and Ben Davis with light to medium for other varieties. Small fruits look well.

PROVINCE OF BRITISH COLUMBIA

A heavy hay crop is now being cut and grains promise to give a yield above average. Root crops are in excellent condition and pasture is abundant. Apples and apricots are estimated to yield 110% of the average crop, cherries 75%, plums and prunes 90%, hops 100% and tomatoes 130%.

THE MARKETS

MONTREAL, Que., July 10.—The foreign demand for Canadian grain here today was of a limited character and the volume of business was small. There was some inquiry for oats and sales of local lots of No. 2 Canadian Western were made at 8 1-4 cents per bushel over the Winnipeg July option c. i. f. Montreal. Owing to the reaction in oats futures today cash prices for car lots on spot were marked up one cent per bushel. Prices for all grades of spring wheat winter wheat were well maintained, with a small trade passing. The market for millfeed was without any new feature to note, prices being steady with a moderate amount of business passing. There was no change in prices for standard grades of rolled oats and the demand was limited. Owing to the very warm weather prevailing, the trade in eggs in a jobbing way was quiet, but the undertone was firm and prices were unchanged. There was some demand from wholesale dealers for extra New Brunswick Green Mountains at 70 to 75 cents per bag of 90 lbs. in bulk and Quebec varieties at 65 to 70 cents per bag of 90 lbs. in bulk ex-track. The demand for new crop American potatoes continues good and as supplies were ample to meet all requirements prices ruled steady with sales of No. 1 grade at \$3.10 per barrel, ex-track. The trade in imported beans was reported quiet as is usual at this period of the year but the undertone of the market was steady with car lots of choice white handpicked grades quoted at \$3.90 per bushel ex-track and smaller quantities at \$4.10 per bushel.

OTTAWA, Ont., July 10.—(Eggs)—Canadian egg markets remain firm and prices are unchanged. Receipts are decreasing steadily and the demand is good.

TORONTO.—The egg market here continues firm. Dealers are buying from country shippers at extras 34-35; firsts 31-32; seconds 25-26; delivered, cases returned. Prices to retailers are extras 40-42; firsts 37-38; seconds 21-22.

EDMONTON.—The local egg market is firm under declining receipts, and prices are advancing consequently. Prices to country shippers are now extras 27-30; firsts 25-28; seconds 19-22. Prices to retailers are extras 35; firsts 33; seconds 26.

HALIFAX.—Receipts here are light and market has shown a downward advance. Dealers are paying country shippers delivered extras 31, firsts 30, seconds 24. Prices to retailers are extras 42, firsts 38, seconds 22.

VICTORIA.—The situation on this egg market is firm and advancing under the light receipts and a good consumptive demand. Prices to producers are extras 30, firsts 28, pullet extras 25.

OTTAWA, Ont., July 10.—Canadian egg markets are very firm today with prices advancing generally under light receipts.

TORONTO.—This egg market is firm with dealers buying from country shippers at extras 33; firsts 30; seconds 23-24, and are making sales at extras 35; firsts 33, f. o. b. cases returned. Prices to retailers are extras 40-42; firsts 37-38; seconds 21-22.

MONTREAL.—This market is firm under active demand. Prices to country shippers are extras 39; firsts 35; seconds 30. Vancouver is asking extras 35; firsts 33; but Eastern buyers are bidding 1-2 cent less.

WINNIPEG.—This market is firm and prices to country shippers are unchanged at extras 29; firsts 27; seconds 23. Prices to retailers are extras 37; firsts 35; seconds 31.

VANCOUVER.—This egg market is active and advancing under light receipts. Prices to producers are extras 30; firsts 27; pullet extras 20-24. One car has been sold to Montreal at extras 34; firsts 32. Eastern buyers are offering extras 34 1-2; firsts 32 1-2, f. o. b. dealers are now asking extras 35; firsts 33. Six cars were shipped east last week.

SAINT JOHN.—This market is now holding steady after the recent advance. Prices to country shippers are extras 34; firsts 30; seconds 24. Prices to retailers are extras 40; firsts 38; seconds 31.

OCEAN VIEW SCHOOL

On June 28th, the annual public examination of Ocean View School was held in the school-room with about twenty parents and visitors present. Mr. J. A. Ross was appointed chairman and the following programme was well carried out:—Opening chorus, Island Hymn, by school, English, by Grade 9, Junior Geography, Recitation, Geta Wife, by Alex. Rockwell, English, by Grade 7, Flag drill, by 8 primary pupils. History, by Grades 7 and 8, Flag Song, by three pupils and chorus by school, English, by Grade 4, Recitation, An Auction of Bachelors, by Mary Rockwell, English, by Grade 3, Dialogue, The Minister's Mistake, by 3 pupils, Grade 2, Reading, Spelling and Tables, Chorus, The Maple Leaf, by school, Latin and French, by Grade 9, Recitation, Mrs. Pat Malone, by Edith Ross, Geometry and Nature Study, by Grade 9 Drill, The Trial of Jimmy Germ, by 8 pupils, Board work, by primary grades, Display of Writing and Arithmetic, Song Childhood Days, by 3 pupils, Grade 1 Reading and Spelling, Recitation, Tid the Grey Mare, by Florence Ross, Senior Geography, Chorus, O Canada, by school, Unveiling of Confederation Plaque, Presentation of Certificate for winning Silver Medal in portfolio contest.

After the pupils treated all present to a generous supply of candy, the chairman in his remarks complimented the Teacher very highly on her work during her stay here, and Mr. Thomas MacKenzie moved a vote of thanks which was heartily endorsed by all, in appreciation of the Teacher's splendid services. Then Mary Rockwell read the following address and Florence Ross presented a well-filled purse: To Miss Margaret MacLean,

Dear Teacher: We, the pupils of Ocean View School, on hearing that you are about to leave us, wish to express our regrets, for you have been very patient with us and always laboured hard to help us in our studies.

We shall always remember you and hope that God's richest blessing will follow you in whatever your future vocation may be. Please accept this small gift in token of our esteem for you.

In behalf of the pupils,
MARY ROCKWELL,
FLORENCE ROSS.

After thanking the pupils for their gift, as well several previous ones, the Teacher in her address went on to tell of her work here during the past two years, and said that she always received a hearty welcome from the ratepayers whom she frequently visited, and whom she would miss, as she had always regretted leaving a district. In sketching the work gone over, mention was made of portfolios, school fairs, Junior Red Cross Clubs and other project work in which the pupils took an active part, and which will be very useful to the "men and women of to-morrow" as they later take their places in community life. In closing, the people were thanked for their many kindnesses to her, and the pupils were asked to study hard, as well as keep their future teacher in being ambitious, obedient and worthy.

Mrs. MacLean received great applause for her address, and after presenting each of her pupils with a souvenir, all sang the National Anthem. Pictures were then taken of the pupils and visitors, and after the singing of "God be with you till we meet again," all departed for their homes feeling they had spent a very profitable afternoon.

DUNDAS UNITED CHURCH

A happy and very successful pastorate was brought to a close in Dundas United Church on Sunday June 24th, when Rev. D. McD. Clark, retiring pastor, administered the Sacrament of the Lord's Supper to one hundred and five members, who gathered around the table with intermingled feelings of joy and sadness, the latter being occasioned by the thought of the departure of Mr. and Mrs. Clark on the following day. A most pleasing feature of the service was the reading of a very appropriate address by Mrs. D. McD. Clark to Miss Beryl Morson, lately commissioned missionary to India and the presentation to her of a Life Membership Certificate by Mrs. E. H. MacDonald on behalf of the W. M. S. of Dundas United Church.

The preparatory service of the preceding day was likewise well attended; the Sacrament of Baptism was administered to three adults and five infants and new members were received to the number of five, this making a total of sixty members in the Church during Mr. Clark's pastorate, a period of three years. The members of the Mission Band who have been under Mrs. Clark's supervision sang very acceptably at this service.

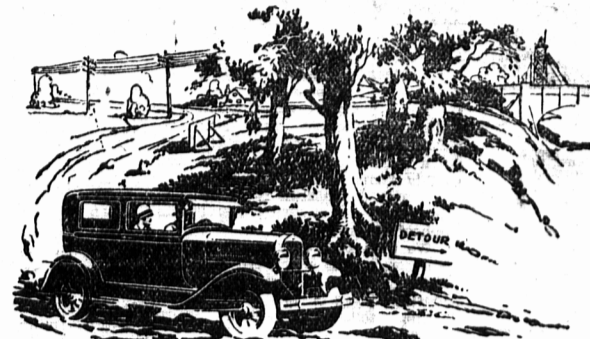

On the evening of June 20th a large number of the people of the congregation gathered at the Manse and spent a very happy social evening with Mr. and Mrs. Clark. Before the gathering dispersed, an address was read and a gift of table linen was presented to them, both of them making a happy and suitable reply.

A few evenings previous to this the young people of the congregation spent an evening at the Manse, this being one of many such evenings they have spent with Mr. and Mrs. Clark, whom they regard as the perfect host and hostess. Before separating they read an address and presented their pastor and his wife with a gift of money.

The best wishes of the whole congregation follow Mr. and Mrs. Clark to their new home in Nova Scotia.

Operated like a camera shutter, an attachment for telephone mouthpieces has been invented for momentarily closing them when a person does not wish conversation with a person beside him to be transmitted.

"ALL ROADS LOOK ALIKE TO ME"

ONE of the great reasons for Oldsmobile's tremendous success in every section of the country is its ability to take all roads as they come and to deliver the same fine, satisfying performance, hour after hour and month after month.

compression performance without the use of special fuels. Fine materials and sturdy construction throughout impart the stamina and brute force usually found only in much larger cars. And fine-car design—evidenced in such details as four Lovejoy hydraulic shock absorbers and deep-cushioned, form-fitting seats—assures complete riding comfort under all conditions.

Steep hills, rough roads, loose gravel, difficult detours—they are all a part of the day's work to this new Oldsmobile.

Come take a drive. Give the Fine Car of Low Price your own road tests. See why thousands of Oldsmobile owners are saying "All roads look alike to me".

A great new 55-h.p. engine provides power for any need and speed to meet any emergency. A new-type cylinder head of General Motors Research design gives the pep and snap of high-

PRODUCT OF GENERAL MOTORS OF CANADA, LIMITED

THE SAMSON ARRIVES HOME FROM EXILE.

This picture shows the "Samson", the oldest locomotive in Canada, taken beside one of the Canadian National Railways "6000" type locomotives, which are among the largest in the world.

The picture was taken on arrival of the "Samson" at the Ocean Terminals of the National System at Halifax.

The "Samson" was built in England in 1826, and put into operation in the Pictou coal fields of Nova Scotia in 1839. After many years of service it was scrapped, but eventually bought by the World's Fair, Chicago, and exhibited there in 1892. Afterwards it was taken to the St. Louis Fair of 1904, and was after that purchased by the Baltimore and Ohio, of Baltimore, and was exhibited at "The Fair of the Iron Horse" at Baltimore last year. This railroad generously offered to return it to Nova Scotia, and the formal presentation was made Premier Rhodes accepting it on behalf of the people of Nova Scotia. Accompanying the "Samson" is the "Albion", another old locomotive, which was built in 1854, and also operated in the Pictou coal fields. Both of these locomotives will be handed over to the Canadian National Railways to be placed in the new station of the National system, now being erected in Halifax.

A SURE RELIEF FOR WOMEN'S DISORDERS

TEN-DAY TREATMENT FREE

Orange Lily is a certain relief for all disorders of women. It is applied locally and is absorbed into the suffering tissues. The dead waste matter in the congested region is expelled, giving immediate mental and physical relief; the blood vessels and nerves are toned and strengthened, and the circulation is rendered to normal as this treatment is based on strictly scientific principles, and acts on the actual location of the disease, it cannot help but do good in all forms of female troubles, including delayed and painful menstruation, leucorrhoea, falling of the womb, growths, and ovarian troubles, etc. Price \$2.00 per box, which is sufficient for one month's treatment. A free Trial Treatment, enough for 10 days, worth 75c, will be sent FREE to any suffering woman who will send me her address. Enclose three stamps and address: Mrs. Lydia W. Ladd, Dept. 5 Windsor, Ontario.

STRAWBERRY SHORTCAKES.

Hot biscuits, split and buttered well, make ideal individual strawberry shortcake when covered with crushed berries and sugar.

Summer Complains Kill Little Ones

At the first sign of illness during the hot weather give the little ones Baby's Own Tablets or in a few hours they may be beyond aid. These Tablets will prevent summer complaints if given occasionally to the well child, and will promptly relieve their troubles if they come on suddenly.

Baby's Own Tablets are given daily, they are kept in every home where there are young children. There is no other medicine as good and the mother has the guarantee that they are absolutely safe. They are sold by all druggists or will be mailed on receipt of price, 25 cents per box, by The Dr. Williams' Medicine Co., Brockville, Ont. A little booklet "Care of the Baby in Health and Sickness," will be sent free to any mother on request.

CLINTON SCHOOL

The annual closing exercises of Clinton School was held Friday, June 29, with a large number of visitors present. The pupils were examined in the various subjects by their teacher Miss Carrie Woodside, assisted by Miss Marion Heaney, Miss Lena Whitehead and Mrs. W. Fred Picking. At the conclusion of the examination the following programme was carried out by the pupils:

Opening Chorus by School, Vacation Drill by 3 boys, Recitation, The Mary O'Connor, Motion Song by 9 girls, Recitation, I'm a Picking, well child, and will promptly relieve their troubles if they come on suddenly.

Prizes were awarded to the following pupils: General Proficiency, Grace Whitehead; Attendance, Jennie MacKay; Deportment, Heaney and Elmer Somers; Star, Grace Whitehead, Jennie MacKay and Ruth Heaney. Ice-cream was then served to all present and a very successful examination brought to a close by the singing of the National Anthem.
