DAIRY PRODUCE MARKET REPORT

DEPARTMENT OF AGRICULTURE

Dairy And Cold Storage Branch

(For Week Ending June 14th.)

(Prices for Montreal and Toronto are for Butter and Cheese Delivered there.)

MONTREAL:—During the week there was a decline in the butter market of about 2 cents per lb. At the auction on Monday, 9th inst., 303 pkgs. pasteurized sold at (including selling charges) 53 cents; 1,284 pkgs. No. 1 at 52⅝ cents; 369 pkgs. No. 2 offered but not sold—total 1,956 pkgs. On Friday, 13th inst., 275 pkgs. pasteurized sold at 50⅞ cents; 1,230 pkgs. No. 1 at 50½ cents; 407 pkgs. No. 2 at 49½cents—total 2,002 pkgs. Receipts for the week were 19,346 pkgs. compared with 20,111 pkgs. for the same week last year.

A firmer feeling developed in the cheese market last week, prices at country boards ranging from 29½ cts. to 30 cents. Our quotation for the 9th inst. was 28¾c. to 29¼ cents and for the 13th 29⅝ cents. Receipts for the week were 65,131 boxes compared with 80,414 boxes for the same week last year.

TORONTO.—A steady feeling has characterized the butter market during the week. No 1 Ontario creamery selling on the 9th inst. at 50 cents and No. 2 at 49½; on Friday the 13th inst. at 50 cents and 49 cents respectively.

On the 9th inst. large cheese were worth 28½ cents delivered in Toronto and twins 28¾ cents. On Friday the market was stronger with large cheese at 29¼ cents and twins 29½. In future our telegraphic quotation for cheese at Toronto will be for the large size only as twins usually sell at one-quarter cent per lb. higher than the large cheese.

GENERAL NOTES. — Creamery extras at New York opened on Monday at 53¼ cents declined to 52½ cents on Tuesday and to 51¾ cents on Wednesday. On Friday prices advanced to 52 cents and on Saturday to 53½. On Saturday last the N. Y. quotation for twins was 31 to 31½ cents.

On the 9th inst. the stock of cheese in New Zealand available for export was 430,000 crates (860,000 cheese). In comparison, the average yearly quantity of New Zealand cheese exported to the United Kingdom for the three years 1911-12-13 was 347,420 crates (694,840 cheese). The stock of New Zealand cheese in London on May 30th was 37,783 crates against 9,404 crates at the same time last year.

On the 9th inst. the stock of butter in New Zealand was 100,000 boxes of 56 lbs. each, half of which will be required for home consumption, leaving 50,000 boxes for export. The average yearly quantity of New Zealand butter exported to the United Kingdom for the three years prior to the war was 584,746 boxes of 56 lbs. each.

As already noted in previous reports there is a fixed wholesale and retail price for both butter and cheese in Great Britian, but while the importation of cheese is free, the importation of butter is not, but is still under Government control. At present there is no prospect of butter being decontrolled. In addition to the purchase by the British Ministry of food of the surplus butter in Australia, New Zealand and the Argentine referred to in previous reports, and agreement has been reached with the Government of Denmark and last week 25,000 pkgs. (equal to 50,000 boxes of 56 lbs. each) of Danish butter arrived in England, and it is expected that approximately the same quantity will be received weekly. Stocks of butter in Denmark have somewhat accumulated as, beyond certain quantities bought by Sweden, very little has been exported.

DO NOT WANT FORMER EMPEROR

BERLIN, June 16.—(By The Associated Press.)—Former Emperor William "belongs in the pathological ward," and is not wanted in Germany, declared Herman Mueller, Majority Socialist leader and whip in the National Assembly, in a speech delivered before the Majority Socialist Convention here today.

Herr Mueller, who is one of the most conservative of the Socialists, referring to the rumor that an attempt is to be made to bring about the return of the ex-Emperor, warned the Prussians said to be interested in such a move that a majority of the German people would not permit his return. The speaker declared the former ruler was dangerous to the country, and blamed his verbosity for Germany's misfortunes.

Herr Mueller's speech was received with cheers.
