KENSINGTON HOCKEY GAME

Kensington Granites 7, Holman's 1.

A large crowd of enthusiastic fans witnessed a fast and hard fought game of hockey in Kensington rink on Tuesday night, Jan. 21st, between Holman's team of Summerside, and the Granites of the home town in the McLean Cup League. The snowstorm in progress before and during the game did not dampen the ardor of the fans in the least. Holman's played a fast systematic game, but speed, system and the will to win gave the Granites a quite noticeable superiority over their opponents. Only the heroic work of Holman's goalie kept the score down. The Kensington scintilla set a fast becoming a quite formidable aggregation of hockey players. They have received a few "tips" from Percy Rodd, former Abegweit player, who is now located in Summerside, and expect to be under his tuition for the remainder of the season. The Granites will have a chance to try their prowess again on next Monday night with the fast skating, resourceful Victoria Unions in Victoria rink. The game was refereed by Layton Rogers in a fair and impartial manner. He has an all-seeing eye for transgressors of the rules, and deals out penalties without fear or favor, thereby contributing in no small degree toward keeping the game clean and straight.
