FOUR THOUSAND CASES OF MEASLES IN MONTREAL.

MONTREAL, Nov. 8.—That measles is spreading at an alarming rate in the city, especially in the new wards, has been made known in a report to the board of control by Dr. J. E. Laberge this morning. As yet the prevalence of the disease, Dr. Laberge said: "It is very serious, indeed. Last week 163 cases were reported, but his does not represent one-twentieth of the number of cases in the city, and suburbs. The people in the new-warded wards do not take sufficient precautions, and the doctors do not report the cases, since where one child had measles, all the others in the house would have to remain away from school. To avoid this and please the parents the doctors neglect to report many cases. In this they are breaking the law, but it is very hard to reach them."

GIVE US MEN

Men who never fail their brothers, True, however false are others; Give us men—I say again, Give us Men! Give us Men! Men who, when the tempest gathers, Grasp the standard of their fathers In the thickest fight; Men who strike for home and altar, Let the crowd cringe and falter, God defend the right; True as truth, though torn and lonely, Tender, as the brave are only; Men who tread where saints have tread, Men for Country—Home and God; Give us Men! I say again—again— Give us such men!
