NEXT TO FOXES.—For those who cannot get into the fox business an excellent second is afforded in hog raising. Yesterday, at the market in Charlottetown, a Bonshaw farmer received \$40.50 for one carcass of pork and proportionate amounts for the remainder of his load. Who says it doesn't pay to raise hogs?

FUNERAL OF L. S. HORNE.—The funeral of the late Leonard E. Horne took place yesterday, from the home of his father, John Horne, Winsloe, and was very largely attended. The service was conducted at the home and grave by Rev. L. J. Wason. The deceased was buried with military honors, a detachment of the P. E. I. Island Light Horse, of which he was an officer, taking part. The remains were laid to rest in Sherwood cemetery. The pall-bearers were Lea Saunders, Fred Turner, Louis McMillan and A. Curley.

—SERIOUS FIRE.—The dwelling house of Chas. Vanidorsine of St. Peter's Bay was destroyed by fire early Sunday morning. The fire started in some paper on the fire where the pipe entered. It was blowing so hard that by the time they alarmed the neighbors the fire had got such a start that all that could be saved was the organ, sewing machine and a stove. They lost all the furniture, clothing, \$100 in cash and 200 bushels of potatoes in the cellar. The building was nearly new and as there was no insurance it is a pretty heavy loss.

DEATH OF ROBERT TAPER.—On Feb. 7th Robert Taper of North Granville, passed to his eternal rest. He had been in falling health for some years and of late became gradually much weaker until he passed peacefully away at his home on Friday last at the age of 77. He was a lifelong resident of Granville and was a well-known and highly respected farmer and a devoted member of the Methodist Church. He leaves to mourn, his widow, four sons, John, William and Tweedie in the United States, James on the farm at home, four daughters, Mrs. John McKay, Granville, Mrs. William Ralston, Mrs. Fane and Miss Janet, all in the United States. The funeral took place on Monday, the remains being laid to rest in Granville cemetery.

WEDDING BELLS.—One of the most important social events of Eastern King's took place at East Point Tuesday, the 23rd inst., when Loretta, second daughter of James J. Heaton of that place, was united in the holy bonds of matrimony to John A. McDonald, North Lake. Rev. Father Gillis, P. P., St. Columba's, performed the ceremony. The bride was charmingly dressed in blue broadcloth with hat to match and was attended by her sister Mary, who wore a costume of blue broadcloth and black picture hat. The groom was assisted by his cousin Stephen J. McDonald. After the marriage ceremony was performed the happy couple drove to the home of the groom's parents where luncheon was served. From here they proceeded to the home of the bride where a sumptuous dinner was laid out waiting their arrival. In the evening about seventy-five invited guests assembled and after the wedding reel was danced proceeded to "trip the light fantastic" until the "wee sma' hours." The bride was the recipient of a vast number of useful and costly presents which goes to show the high esteem in which she is held by the people of the community.

HANDS SO SORE
COULD NOT SLEEP

Chapped and Cracked. Could Not Put them in Water. Skin Red and All Swollen. Cuticura Soap and Ointment Cured in Two Days.

Emerald, P. E. I.—"I got my hands chapped and they cracked. If I would close my hands they would bleed. I could not put them in water or do hardly any work. The skin was red and my hands all swollen. They were so sore I could not sleep. I tried everything I could get in the drug store, and all kinds of ointment, and they did me no good until I used Cuticura Soap and Ointment. They cured my trouble in two days. Cuticura Soap and Ointment are the best that can be made." (Signed) C. W. Murphy, Dec. 23, 1911.

ERUPTIONS COVERED FACE

415 Huntley St., Montreal, Quebec.—"My one year old son was troubled with eruptions in the face. It started with redness and irritation, then it was like a pimple. Afterwards it was an open sore with matter oozing out, causing itching and keeping him from sleeping at night. His face was covered with eruptions. After unsuccessful attempts with different remedies, I tried Cuticura Ointment, which cured the eruptions and was completely cured of eczema." (Signed) Mrs. J. N. Racicot, Nov. 15, 1911. Cuticura Soap and Ointment are sold by druggists and dealers everywhere. For a liberal free sample of each, with 32-p. book, send post card to Potter Drug & Chem. Corp., Dept. 522, Boston, U. S. A.

Leith Webster is teaching Church Road School for the balance of the season. The drawing room was arranged with palms and pink and white carnations and the tea table was centered with a basket of crimson carnations and the candelabra were shaded to match. Mrs. W. W. Moore and Mrs. George Ross, presided and the ices were cut by Mrs. George Burland, the assistants including Miss Crannell, Miss Muriel Allan, Miss Myra Dewar, Miss Oriella Conn.

Mr. Campbell looks fine after an absence of six years in the United States.

Three arrests have been made in connection with the fox theft at Alma and Alberton. Yesterday morning Jacob Murray and Edgar Cannon were taken to Summerside and lodged in jail to await a preliminary hearing which will take place tomorrow. The officers are still searching for Thomas Murray, who, it is said, is also implicated. From the complicated nature of the affair it is somewhat difficult to ascertain definitely the connection of the respective parties with the crime. It appears that Jacob Murray and Mrs. Thomas Murray, the latter having been arrested but admitted to bail on account of her young family, are held on a charge of receiving stolen goods or as being accessories. Cannon and Thomas Murray are supposed to be the ones that did the stealing. Thomas Murray, whose present whereabouts are unknown, was at one time imprisoned in Prince County jail on a charge of interfering with a witness. About a year ago he escaped from jail and spent some time abroad.

PLUCKY GIRL.—A narrow escape from drowning occurred at Campbellton, Lot 4, on Wednesday the 5th inst., when Florence McKendrick, the thirteen year old daughter of J. C. McKendrick, who in company with her sister Myrtle and their school-teacher, Miss Mary McKinnon of Grand River, was skating on the millpond. The older girls were skating in the opposite direction from Florence, when they heard her scream, and turning saw that she had broken through the ice, and was clinging to the edge with her hands, calling to her to hold on and keep quiet the girls skated quickly to her and Miss McKinnon caught and held on to her at the risk of her own life, as there was danger of them all going in. After one or two unsuccessful efforts they finally got Florence pulled out. Much credit is

due Miss McKinnon, as there is no doubt that had it not been for her quickness and presence of mind, Florence would have perished, and in trying to aid her Myrtle would have met a like fate. But thanks to the plucky school-teacher, what might have been a tragedy was happily averted.—Com.

POSSIBLY TRUE.—A Summerside exchange states that after an operation performed last Friday in the Prince County Hospital "four sizable pearls" were found in the appendix that had been removed. The story has a fishy flavor but in the rapid development that is taking place in the province at present nothing is impossible. It would, however, be like the irony of fate if the despoiled appendix should develop into a dangerous rival to the new-born oyster business.
