

Hair Brushes And Combs

There has been a great increase in the cost of Hair Brushes and Combs during the last few months. It is hard to get anything in this line at a reasonable price today.

We just received a lot which were bought before the rise and are clearing them out at a special price. The brush retails at 75c—the comb 35c—and for a short time our price for both will be 79c—Get in on this—it's a snap.
