I. 3964-3-17-monthur-21.

—DEATH OF MR. LESLIE MACFARLANE—Friends in Summerside and Bedeque will learn with regret of the death early Saturday morning of Mr. Leslie MacFarlane at his residence in Summerside. Although he had not been well for some time his death was quite unexpected. Mr. MacFarlane was the only son of the late Mr. and Mrs. Donald MacFarlane of Fernwood and was 51 years of age. He had farmed for many years first at Fernwood and later at Lower Bedeque, where he was very highly esteemed. He removed to Summerside about four years ago and made many friends. Of a quiet unassuming disposition he was liked by all who had the pleasure of his acquaintance. He was a devoted husband and father and will be much missed in the family circle. There are left to mourn his sorrowing widow, (formerly Miss May Leard of Bedeque) three daughters and two sons namely: Mrs. Arthur MacFarlane of Bedeque, Miss Margaret, Miss Mary, Mr. Donald and Master Jack at home; also two sisters, Mrs. Rufus Bagnell of Bedeque and Miss Kate MacFarlane, R. N. of Taunton, Mass, to all of whom the sympathy of the community goes out in their bereavement. The funeral will take place on Tuesday afternoon at two o'clock at the United Church to the cemetery at North Bedeque. S.

—BIRTHDAY PARTY—A surprise birthday party was tendered to Miss Gaudet at her home in Summerside on Thursday evening. Forty four guests of both sexes were present. Auction forty five were played and the prize winners were Ladies first, Miss Zita Blaquier; consolation, Miss Miriam Cameron. Gentlemen first, Timmy Arsenault; consolation, Joe Gaudet. Games were played during the evening. Music was furnished by Miss Marguerite Gaudet and Mr. Harold Huestis. A dainty buffet lunch was served before the guests left for their homes. Miss Gaudet was the recipient of some lovely birthday gifts. S.

—BEDEQUE WINS—In the first match of the home and home games for the Clark Trophy, which the rural teams of Bedeque and vicinity have been competing for this winter in some hotly contested games, North Bedeque beat Freetown on Friday night at the Bedeque rink with a 2-1 score. Although the ice was soft the fans witnessed a good fast game. Freetown put up a good fight but did not gain their objective. The Bedeque boys played a whale of a game. The return match will be played on Monday night at Freetown. The fans enjoyed a good skate after the match. S.

Colds wont spread If Nostrils are Cleaned. How to Avoid Coughs, Colds

Most cold troubles have their beginning in the delicate lining of the nose.

Stop your cold at its beginning— with the first sniffle or sneeze use Catarrhzone Inhaler. It releases a healing vapor that destroys the bacteria which causes colds and other winter ailments. Catarrhzone cleans and disinfects the nostrils, clears away nasty discharges, relieves that stuffed-up feeling in the forehead.

How to Stop Colds

Catarrhzone—has successfully restored cases that resisted other remedies. "No one can know better than I the benefit one gets from the very first day's use of Catarrhzone," writes T. T. Hopkins of Westvale, "I Bronchial Catarrh, ear noises, headache for years a stubborn case of ache, sore eyes, stopped-up nose and throat. It affected my appetite and made my breath rank. Catarrhzone restored me quickly and now keeps me free from colds."

Large one dollar size Catarrhzone with hard rubber inhaler lasts two months and is "Hospital-Certified." Smaller sizes 25c and 50c.

Catarrhzone
Brings Relief Quickly

BRINGING UP FATHER

—SAD NEWS RECEIVED—Many friends will learn with regret that Miss Jessie Strong of Summerside received the sad news on Saturday of the death in Ottawa of her cousin, Mr. John Hale, of the Postal Department, after a short illness. The funeral took place on March 7th at Ottawa. Mr. Hale was a frequent visitor to the Island and was here only two years ago visiting relatives in Summerside and Bedeque. He was the son of the late James Hale, for many years postmaster at St. John, N. B., his mother was Elizabeth Strong, sister of the late William G. Strong of Summerside. He leaves to mourn his widow and two daughters Mrs. W. C. Whitteher and Miss Hale, both of Ottawa; also one sister, Mrs. Charles Thomas of Fredericton, N. B., to all of whom the sympathy of Island friends is extended.—S.

—PAINFUL INJURY—Mr. Louis Leard of Summerside received a painful injury on Saturday evening as he was returning from a visit to his brother, Mr. Artemas Leard of Spring Valley. On arriving at Kensington Station he boarded a waiting train but being in doubt as to whether it was the right one for Summerside he went to the door to see which way the train was headed

Indigestion

When chronic, is best relieved by Dr. Chase's Kidney-Liver Pills

In most cases, indigestion results from torpid liver and sluggish bowel action. Tablets for the stomach and aids to digestion fall in this chronic form of indigestion. You must get the filtering and excretory organs right before you can expect permanent relief and this is best accomplished by the use of Dr. Chase's Kidney-Liver Pills.

Chronic indigestion is a very common condition. On this account many suffer for years not realizing that relief is at hand in the form of Dr. Chase's Kidney-Liver Pills. Headaches, biliousness, spells of constipation and diarrhoea are among the accompanying ailments. What a relief it would be to be free of this condition which makes one feel so miserable and it is so easy by using the well-known regulator of the liver, kidneys and bowels.

For the cars were backing up at the time and in passing the switch the cars jammed together, and Mr. Leard who was holding on to the upright rods of the car, had the two fingers of his left hand badly crushed. The cars were stopped immediately and Dr. Gillis, who happened to be at the station at the time, took Mr. Leard to his home and dressed the fingers. Although the injury is quite painful and will necessitate Mr. Leard laying off from his work for a few days it is not as serious as it might have been.—S.

PERSONALS

—Mr. Bill Curly Summerside, attended the hockey match in Summerside, Friday night. S.

THE NEGLECTED DEBUTANTE

The society columns referred to her as "one of last season's buds." Other girls her age married and set up homes. While she was left to face the future alone. Yet if she had only known in time. . . .

Too often, really charming girls allow poisons of constipation to take the bloom from their cheeks, to bring the pimples and wrinkles that age complexions.

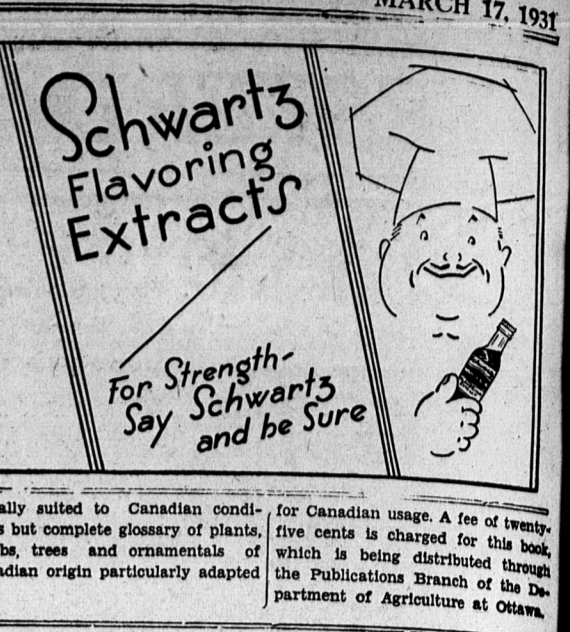

Constipation is so much more prevalent among women, so much more difficult for them. What a pity when prevention is so easy. Simply eat a delicious cereal.

Two tablespoonfuls of Kellogg's ALL-BRAN, eaten daily, are guaranteed to prevent and relieve both temporary and recurring constipation. In severe cases, use with each meal.

Kellogg's ALL-BRAN sweeps the intestines clean of all poisonous wastes. How much better than taking habit-forming pills and drugs.

Serve Kellogg's ALL-BRAN with milk or cream, fruits or honey added. Use for making fluffy bran muffins, breads, omelets, etc. Look for the red-and-green package at your grocer's. Made by Kellogg in London, Ontario.

Kellogg's ALL-BRAN

COLONIAL WINDSOR MADE FERTILIZERS

Our prices are now in the hands of our agents. We are in a position to quote you on goods ex steamer Island ports or for all rail shipment from Windsor.

As usual comparisons are being drawn between the cost of raw chemicals and mixed fertilizers and as usual, the comparisons are based with the cost of Nitrogen on raw chemicals derived from the very cheapest source—Sulphate of Ammonia.

Agricultural authorities are practically unanimous in their statements that Nitrogen should be derived from various sources so that the plant will have this valuable element throughout its growing season.

Our mixed formulas derive their Nitrogen from Nitrate of Soda, Sulphate of Ammonia and high grade Tankage, and the results obtained from their use has been ample evidence of their superiority.

When the cost of these materials in their raw state is considered, the cost for mixing is only a nominal amount. You cannot afford to endeavor to overcome present low prices on farm products by trying to cheapen your fertilizer costs to the extent that may prove detrimental to your yield or quality of crops. Buy Colonial-Windsor Made-Fertilizers for the quality and superiority that this name assures.
