

**ONE MINUTE NEWS ABOUT**

**JOHNS-MANVILLE**

**STOP TREE ROOTS BLOCKING SEWER**

Homeowners! This is the season when tree roots force their way through joints and block the sewer pipe that connects your home with the street sewer or septic tank. And this adds up to costly trouble.

To avoid this trouble, Johns-Manville makes a white sewer pipe called Transite House Connection Pipe. It has special "Taper-Tite" points designed to keep roots out and guard against stoppages. Made of asbestos and cement, Transite is tough and strong, yet light and easy-to-handle. Long 10 foot lengths make it easy to lay, with minimum disturbance to lawns.

If you are planning to install sewage disposal facilities, find out about J-M Transite House Connection Pipe. For complete details, write Johns-Manville, Sun Life Bldg., Montreal, or see your J-M dealer.

**Island-born Girl One Of Edmonton's Foremost Secretaries**

A former Island girl, Miss Lu MacPhee of North River, was one of the three secretaries to top ranking bosses in Edmonton who were recently interviewed by a representative of the Edmonton Bulletin, an account of which appeared in that paper.

The article shows that Miss MacPhee is the right hand to Chief Constable Reg. Jennings, and has been private secretary to Edmonton police chiefs for over 20 years.

A valuable attribute for any secretary, the account says, is the ability to say no with a smile. Miss MacPhee explains this ability and a reputation for being tough to pass.

Miss MacPhee is quoted as saying, "I've seen many of the great and near great come and go through this office." She has seen a lot of paths and tragedy through the years and some time would like to write a book about her experiences.

All three girls interviewed thought the men who dictated to them were first rate.

Miss MacPhee is a daughter of the late Mr. Allan MacPhee of North River. She is a sister of Mrs. Leigh Warren of this city and has numerous friends and relatives in Freetown, Summerside, Beedee and other districts.

A lilled Lodge room last night welcomed Grand Chancellor Willard L. Turner of the Maritime Domain of the Knights of Pythias on his visit to Empire Lodge No. 19, Knights of Pythias here.

Grand Chancellor Turner in a short address exhorted his audien to get out beyond the confines of the Lodge room and take part in the benevolent work of the community. He emphasized the power for good contained in their ritualistic work and insisted that the whole community should benefit from it instead of just a few chosen members.

He reported a steady increase in membership throughout the Maritimes and praised the Empire Lodge for the charitable work it had done, but admonished the members not to rest on past performances but to push steadily forward to a greater and more extensive programme.

Grand Chancellor Turner was escorted to Empire Lodge by Past Grand Chancellor and Alternate Supreme Representative Harold E. MacLean, and Past Grand Inner Guard C. W. S. Bentley. After grand honors were extended an address of welcome was presented by His Worship Mayor B. Earle MacDonald.
