Relief Work

In November 1909 there was organized in this City the Anti-Tuberculosis Society to aid those of our citizens who were suffering from Tuberculosis and to bring about improvements in the conditions of the people in order in so far as possible to prevent the spread of that disease. Amongst the early problems presenting themselves, was the necessity of meat and milk inspection in the City. A campaign was inaugurated to this end, which after some years of effort was crowned with success by the passing by the City authorities of laws regulating these matters.

The fight against Tuberculosis was ever uppermost in the minds of those forming the Society. As the Red Cross Society and later the Government Health Department has taken over very largely this work, the Society has in recent years devoted the most of its endeavors to the providing of clothing, food and medicine to the needy of the City. In this way thousands of dollars have been spent, without thought of creed or colour. The Society has therefore filled an empty niche in the imperfect relief situation existing in the City. For some years the Society has advocated a housing scheme for the needy of the City. The annual meeting of the Society will be held on Thursday evening next at eight o'clock in the Board Room of the City Hall, to which all our citizens are invited. Dr. P. A. Creelman will address the meeting. Envelopes for the annual collection will be distributed on Saturday and called for on Monday. No doubt our citizens will respond to this appeal with liberality.

RARE STAMP BRINGS BIP PRICE
(A. P. by Guardian's Special Wire)
NEW YORK, May 1 - A rare United States postage stamp error found by Herman Herst, Jr., in the stock of a Portland, Ore., curio dealer was sold today to George B. Sloane, stamp dealer acting for an unnamed client.

Herst said the price compared favorably with recent auction sales of similar stamps which have brought \$3,300 and \$3,600. The stamp is a 30-cent 1869 issue, with inverted flags, a printing error which distinguishes it from the normal variety.

Sometimes the best way to be affable is to smile but say nothing.

INDIANS SPEND TREASY MONEY
CALGARY, May 1. (CP) - Although extremely well behaved, 100 Blackfoot Indians, clutching their treaty money in bronzed hands, arrived here by train from their reservation and proceeded to give Calgary the redman's interpretation of "painting the town red."

While three or four wayward bucks found their uneasy way into police cells pending return of sobriety, the majority of the tribe bought serviceable clothing. Merchants report a pile of cast off clothes accumulated in the wake of the Blackfeet. When an Indian child gets a new suit, it goes on immediately, the change being direct and unabashed.

The bucks concentrated their spending on ten-gallon hats, gaudy bandanas and leather goods.

RELIGIOUS SERVICES
ST. JAMES CHURCH
The morning sermon, by the Rev. Dr. J. Kier Fraser, was based on Romans 12:2: "Be not overcome of evil, but overcome evil with good." This is one of the original teachings of christianity. If we wish to overcome the evil in our minds and thoughts, we must not attempt to crush it out, but we must overcome it by thinking good thoughts. If we see evil in those we meet in our private life, we should not criticize and carp, but instead we must overcome their evil by setting them a good example. Finally in our public life, the way to correct wrongs is not by legislation, but by setting up some agency for good in the midst of the evils.

The subject of the evening address was "Getting rid of our fears." There are some fears that are good to have, such as the fear of sin, and the fear of God. But when there are other fears which weaken us and sometimes ruin our lives. There is the fear of nothing or the idle fear; there is the fear of things, such as bereavement, losses; there is the fear of death. All the answers to these fears, all the agencies to quiet them may be found in our religion.

The morning music consisted of an anthem - "How Lovely Are Thy Dwellings Fair" - solo by Miss Margaret Cudmore. The evening anthem was: "Saviour Thy Children Keep".

CENTRAL CHRISTIAN CHURCH
The evangelistic services at the Central Christian Church came to a successful ending last night with an audience that filled the auditorium. It was one of the most impressive of all the services of the entire campaign with special music featuring the opening part of the service with assistance of the piano organ and violin played by Mr. Porter. During the meetings which have been going on for ten days nine have united with the church and many others have declared their intentions of doing so. At the conclusion of the evening service two more came forward. A beautiful and dignified baptismal service was conducted by the pastor, Rev. S. C. Cooper. The evangelist, Rev. Geo. W. Titus will leave on Wednesday morning to open another meeting with the Christian Church near Fredericton, N. B. Following this meeting he will be here on the Island again to spend several months among the churches.

TRINITY UNITED CHURCH
Dr. Miller preached at the morning services, his sermon being on presumptuous sins and their causes, namely, self righteousness, self sufficiency and false faith.

The evening sermon was preached by the Rev. Roy Webster, B.A. Mr. Webster is a son of Mr. Everette Webster of this city and has received a call from the Murray Harbor district.

The choir rendered in a fine manner the anthem "The King of Love" by Frank T. Watkins, at the morning service.

Mr. Jas. Calder sang most effectively "It Was For Me", by Blount, at the evening service, in addition to the regular selection by the choir.

DENY SHIP
(Continued from page 1)

Basque reports asserted that Saturday's fighting in the Bermeo sector, on the Bay of Biscay coast northeast of the Basque capital, constituted "another stinging Italian defeat."

A Bilbao communique said two Italian divisions were routed by a Basque counter-attack and abandoned large quantities of war supplies. On the battlefield 197 Italian dead wearing Italian uniforms were picked up. It was stated. Documents found on Italian prisoners, said there were 16,000 Italians on the Bilbao front, commanded by a General Piazzi.

The prisoners told of the landing of 2,000 Germans at San Sebastian April 26, the communique continued. German headquarters were established at Victoria and Italian headquarters at Azpetia, southwest of San Sebastian.

According to prisoners' stories there were 70 or 80 German and Italian airplanes based at Victoria and 30 or more at Reccojo.

RAIDED BY BANDITS
TOKYO, May 2 - A Domei News agency dispatch from Kaimet, northern Korea, today reported about 50 Japanese Koreans and Manchoukuo citizens had been carried off by a bandit force which raided a Manchoukuo police station just north of the Korean border.

were enroute from Toronto. That buildings throughout the city will be elaborately decorated for the coronation was evidenced by a report from dry-goods merchants' circles who stated their stock of material was rapidly depleting.

The Rev. H. L. Denton, B. D., in his morning sermon, discussed "Reasonable Religion" taking his text from the words of Micah 6: 8: "He hath shown thee, O man, what is good; and what doth the Lord require of thee but to do justly, to love mercy and to walk humbly with thy God?" The world will never do without religion. Religion does seem today to be at a discount despite this appearance of things; the world will always need and ask a reasonable religion. Religion says one "is a life, which expresses itself in thoughts and feelings and actions, reason to God and man; in his prophecy, Micah pictures God and Israel in controversy, with nature called as a witness. Smitten to the heart by the testimony to God the people ask how they shall justify themselves in his sight and the answer embodies the acceptance of the gracious middle way, avoiding the extreme and setting forth the ideal of justice, honour, mercy, kindness, reverence, humble living as is the daily companionship of God. A standard of life, its simplicity and strength which it is ours to demonstrate every day. The morning anthem, Farrant's "Lord, for they tender mercy's sake" was sung by the choir.

Mr. Denton's evening sermon discussed "Thoughtful Living" and his text was from the hymn of the church, "The Day Thou Gavest" (John Ellerton). The hymn itself was sung as duet by Miss Vera Campbell and Miss Pearl Burns.

The anthem of the evening was "Lord, we pray Thee" and the Communion of the Lord's Supper was observed at this service. Music of the day was directed by Miss Vera H. Malcolm Campbell, Mus. Bac., with Miss Helen Calbeck at the organ.

SONG SERVICE
The Song Service was held last night in St. James Kirk under the auspices of the S. C. M. of Prince of Wales College. Mr. Justin Jardine acted as chairman and Mr. Niall Burnett read the scripture lesson. The speaker of the evening was Mr. John Denny, four year student of P. W. C. Mr. Denny delivered a stirring and enthusiastic address on the problems facing youth today. He showed how materialism was cracking in its simplicity and the teachings of Jesus Christ. The greatest challenge ever given the world come from the Son of God and it is his doctrines that should be the watchword of every young man and woman.

Miss Vera Malcolm Campbell and Miss Pearl Burns favored the meeting with a splendid duet.

Rev. Keir Fraser, D. D., closed the meeting with the benediction.

THE SALVATION ARMY
At the morning service Adj. Lynch took as his subject "Building the walls of Jerusalem", Nehemiah 4 chap. 6 verse: "So built we the wall." The builders of the walls of Jerusalem worked under difficulties as described in verse 17 "Every one with one of his hands wrought in the work and with the other hand held a weapon." In verse 6 we read "The people had a mind to work."

This was the right attitude to take and the Church of God should have a mind to work and each individual member should have a place in the work.

The meeting at the jail was a time of happiness for both soldiers and prisoners. A solo by Ted Chandler and chorus and hymns made up a program enjoyed by all. The music reaching others confined in the building carried them a message of God's mercy for all and having done their duty the soldiers leave the results to God and pray His blessing on their efforts.

At the evening service Mrs. Adj. Lynch addressed the meeting, using as her text Ephesians Chap. 4, Verse 30: "And grieve not the holy spirit of God whereby ye are sealed unto the day of redemption."
