# RIGLEY'S

"A bite to eat—a bit of sweet"

After a substantial meal, the children naturally want to top off with a bit of sweet.

Give them WRIGLEY'S, the great Canadian Sweetmeats.

It combines the enjoyment of sweet with many BENEFITS. It cleanses the teeth, removing food particles that lodge in the crevices. It neutralizes the acids of the mouth, soothes the throat, and lastly—

WRIGLEY'S helps the stomach by supplying saliva to aid in digestive work.

Made clean, kept clean, sealed tight in a wax-wrapped package.

Mr. and Mrs. MacPhail though taken by surprise, thanked the donors most heartily and expressed their pleasure at having their company for the evening, cordially inviting them to come again. Three cheers and a tiger were then given for the bride and groom, and in the wee small hours the party wended its way homeward.
