

BEDRIDDEN WITH RHEUMATISM

That He Would Never Walk Again
"FRUIT-A-TIVES" Brought Relief.

MR. LORENZO LEDUC

8 Ottawa St., Hull, P.Q.
"Fruit-a-tives" is certainly a wonder. For a year, I suffered with *Rheumatism*; being forced to stay in bed for five months. I tried all kinds of medicine but without getting better; and thought I would never be able to walk again.

"One day while lying in bed, I read about 'Fruit-a-tives' the great fruit medicine; and it seemed just what I needed, so I decided to try it. The first box helped me, and I took the tablets regularly until every trace of the Rheumatism left me.

I have every confidence in 'Fruit-a-tives' and strongly recommend them to every sufferer from Rheumatism".

LORENZO LEDUC.

50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa, Ont.

RELEASE OUR NURSES

Women at home can perform a national service that is incomparable. Learn to take care of the sick and thus eliminate the unnecessary demands for nurses in Canadian homes. Where one is slightly ill, don't call a nurse; let the members of the family attend the unwell. We can teach you a course of nursing right at your home, which you can use for your own household or to make your livelihood. Send for particulars. ROYAL COLLEGE OF SCIENCE, 709 N 2 Spadina Ave., Toronto, Ont.

Halifax N. S.

WEDNESDAY A REGRETTABLE ACCIDENT.

The little four-year old daughter of Mr. John McInnis, Elm Avenue, met with a very painful and regrettable accident on Sunday evening. Two boys were wrestling in a canvas cot when it upset and one of the boys fell on the little girl who was standing close by. She was knocked to the ground, the boy falling across her leg breaking it badly above the knee. The little one suffered great pain. A physician was summoned with all haste and the limb was set. The little four-year old daughter of as can be expected.

Mrs. James Bernard, a life long resident of Long River, passed peacefully away at her home on Wednesday, July 17th, at the age of 75 years. The deceased had been ill for a long time, having been confined to her bed for nine years. She was of a cheery disposition and although at times she suffered intensely, she bore her sickness with true Christian patience and fortitude. Mrs. Bernard was formerly Miss Christy Graham. Besides her grief-stricken husband she leaves to mourn five daughters, four sons, forty-five grand children and six great grand children. The daughters are: Mrs. Edward Johnston and Mrs. Hubert Paynter, of Long River, Mrs. Jas. Campbell and Mrs. John Campbell of Burlington and Mrs. MacKenzie, of Souris. The sons are Thomas L. and John R., of Alberta; Kier of Park Corner, and George at home. The funeral service was conducted at her late residence by Rev. George Irvine, the pastor of the Presbyterian church. A long cortege accompanied the remains to the Geddie Memorial church, where interment took place.

A wave of genuine sympathy and sorrow passed over the whole community on Monday, July 22nd when it became known that Ada Kathleen, youngest daughter of Mr. and Mrs. James A. Campbell of Burlington had passed away at the tender age of six years and one month. During her brief illness all that loving hearts and hands could do was done to restore her to her health but God saw it fit to call the loved one he had entrusted to their care. Kathleen was a very bright and attractive child loved by all who knew her; she will be greatly missed in her home and by her little playmates with whom she was a general favorite. The funeral which was very largely attended was conducted by the Rev. C. W. Neish at St. Stephen's Church where interment was made. Most fitting was his text at the funeral service: Lo, Children are an heritage of the Lord, Ps. 127.3. The floral tributes from relatives and friends were very beautiful. She leaves besides her sorrowing father and mother one sister Beatrice W. to whom is extended the sincerest sympathy of their many friends in this their hour of sad bereavement.

LEMON JUICE TAKES OFF TAN

Girls! Make bleaching lotion if skin is sunburned, tanned or freckled

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, shake well, and you have a quarter pint of the best freckle sunburn and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of Orchard White for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles, sunburn, windburn and tan disappear and how clear, soft and white the skin becomes. Yes! It is harmless.

ISLANDER KILLED: OTHERS WOUNDED.

The latest casualty list issued from Ottawa contains the names of the following P. E. Islanders:—Killed in action A. J. MacRae, Pownal; wounded F. E. Keenan, Murray River; J. K. Bradley, Charlottetown.

—FOR CO-OPERATION.—

W. R. Reek, provincial secretary for agriculture in New Brunswick, formerly connected with the Department of Agriculture in P. E. Island, was in St. John recently, and submitted to Premier Foster a plan for bringing together city men, who are willing to aid in food production, and the farmers who are in need of extra labor during the harvest season. Mr. Reek explained that the farmers recognized the need of increased production and increased acreage under cultivation. Farmers now complain that labor is very scarce and the extra crops will be wasted unless they can be harvested. If there is not enough men on the farms to cope with the situation, they must be procured from the city. Mr. Reek says there are hundreds of men in the cities who have been raised on farms, and many others who have had some farm experience, and he believes that many of these would be willing to take some time from their other work and devote their vacations to farm work.

The Grand Orange Lodge of British America is in session in Charlottetown. Delegates to the number of over one hundred arrived in city on Monday night including representatives from all parts of the Dominion.

Sir Knight A. A. Gray, Grand Master, of Toronto, presided at the opening meeting yesterday morning and among others present were:

Sir Knight Hon. R. A. Squires, Newfoundland, Past Grand Preceptor.

Sir Knight W. T. Edgcombe, Winnipeg, Deputy Grand Master.

Sir Knight Robert Martin, West Toronto, Grand Director of Ceremonies of the Grand Lodge of Ontario.

Sir Knight William Chimney, Toronto, Past Grand Master of British America.

Rev. A. A. Fish, Owen Sound, Deputy Grand Chaplain.

Rev. Dean Saunders, Montreal.

Sir Knight John Burley, Walkerville, Ont.

Sir Knight William Crawford, P. C. M., of Toronto.

Sir Knight W. G. Armstrong, Saskatchewan.

Sir Knight James Culbert, Toronto.

Sir Knight, Sir James Outram, Grand Master of Saskatchewan.

Sir Knight John Easton, Winnipeg, Past Grand Master of Manitoba.

Sir Knight Rev. Canon Walsh, Brampton, Ont.

Sir Knight John Dunbar, St. Mary's, Ont.

Sir Knight Alfred Hayward, Toronto.

Sir Knight George B. McCready, Winnipeg.

Sir Knight Thomas W. Self, C. M., of Toronto.

Sir Knight Richard H. Brown, West Toronto.

Hon. W. D. McPherson, of Toronto Provincial Secretary of Ontario, arrived in the city Monday night, but was summoned home next morning by the sad news of the death of his mother.

The Grand Black Chapter was in session all day and last evening.

The Grand Orange Lodge opens this morning at 10 o'clock, in the Prince of Wales College, and the Ladies' Grand Orange Lodge at the same hour in the Knights of Pythias Hall.

This afternoon the Orangemen will attend the matinee races.

Tomorrow they will be entertained by an automobile drive to Pownal, where luncheon will be served. They will also visit the fox-ranches.

On Thursday evening the Grand Lodge and Grand Black Chapter will be given a supper by the Ladies' Grand Lodge in the Prince of Wales College.

Flags are flying throughout the city in honor of the meeting here of the Orange organizations.

School Girls' Nerve

When an undue amount of nervous energy is consumed in the brain there is bound to be failure of the other functions of the body.

Digestion is impaired—the head aches—you cannot sleep—you are easily excited and irritated—feel tired and lack energy.

Dr. Chase's Nerve Food is a creator of rich, red blood and a builder up of the exhausted, nervous system.

August 4th 1918

The Gillette Razor's Four Years of War Service

THE Gillette Safety Razor has passed through four years of war service with a clean bill of health.

It went into the front line with the first troops, and it is still on active service, never having missed a day.

It is the proud record of the Gillette Razor that it has more users than have all other razors put together in every regiment under the Allied flags.

Under the severest conditions it is possible to impose, the Gillette Razor has supplied all the comfort and luxury a soldier derives from a clean shave. It has been his companion in many a shell-hole, dug-out and water-soaked trench.

It has gone with him to billet and reserve camp; it has shaved him in hospital and has accompanied him to "Blighty". Whether its owner has been on leave, invalidated home, or finally pensioned off, the Gillette has never failed to offer the daily luxury of a perfect shave.

For more than four years it has been in action—day after day; month after month,—and it has never appeared on a casualty list, or been "invalided home".

An occasional oversight on the part of friends at home, or the uncertainty of the mails, has sometimes deprived a soldier of the new Gillette blades he prizes so highly. But the Gillette itself, so often mentioned in "despatches" home, has come through with flying colors,—a powerful factor in the maintenance of morale.

THURSDAY NEW AUTO PHASE

An automobile case of quite another color came before Mr. Alex. Campbell, J. P., at Summerside on Saturday last says the Island Farmer, when two young men were charged with causing undue delay to an auto by reason of not turning aside with that alacrity which the law demands when more or less politely requested to do so by the tooting horn of a car coming at the rear. The defendants claimed that the nature of the road made it necessary for them to keep their buggy in the tract for a couple of hundred yards or so after the horn tooted. The plaintiff, who complained of having been delayed fully one minute (quite a long period in these days of speed) refuted this claim. In the end Mr. Campbell imposed a fine upon the defendants of \$5 and costs, the latter amounting also to \$5.

The matinee races at the Driving Park yesterday afternoon attracted quite a large gathering including most of the visiting delegates to the Orange Grand Lodge of British America now in convention here. The track was in good shape and the different events were well-contended and the best of order prevailed.

Following is a summary:—

CLASS A TROT AND PACE	
Colorado L. (H. Kelly)	1 1 1
Helen R. (McKinnon Drug Co.)	2 2 4
Lillian Patchen (J.S. Wedlock)	3 4 2

Time 2:25, 2:29, 2:22, 2:28, 2:27.	

TERRIBLE ELECTRICAL STORM

The electrical storm on Saturday was very severe in the western part of Prince County and it said that thousands of dollars worth of property was destroyed. Especially was the storm severe in and around Tignish. One citizen of Tignish, who is over eighty years of age, states Saturday night's storm was the heaviest in his experience. The rain

came down as though from a cloud burst, and a great amount of damage to the crops is reported from some sections. A large barn belonging to Mr. Sellick in Tignish was burned to the ground, causing a damage of over \$5,000. Several places in Miminegash, St. Louis and Little Tignish were struck causing considerable damage. Several buildings in the vicinity were razed to the ground. Mr. Trail Reid,

of Ebbsfleet, was struck by lightning and rendered unconscious, but soon recovered, while a resident of Little Tignish received a shock and was unconscious for several hours. A Mrs. Doucette, of Palmer Road, who was very ill at the time of the storm, went into convulsions and passed away. She leaves a sorrowing husband and family.

TASTY, toothsome and digestible are these "smiling" breakfast rolls. Surely your hubby and the children would enjoy a plate of them for their morning meal. They are made just a little better by the use of Diamond Flour, which is a choice blend of Ontario soft wheat and Manitoba hard wheat. Your grocer will gladly supply you with
