Stock Prices Push Upward in Montreal

MONTREAL, March 23—(CP)—In a swift turnabout, stock market prices climbed today with the easing of European political tension. Issues did little more, however,

than reduce or wipe out the losses suffered in yesterday's slump. National Steel Car, up 2 1-2, was still down 1-2 from Tuesday's close. Metals, yesterday's heaviest losers, led the comeback as Hudson Bay Mining and Consolidated Smelters gained 2 1-4 and two points respectively. Nickel and Hollinger improved fractionally while Noranda ruled unchanged. Small advances were posted by Canadian Car, common and preferred, and Dosco. Brazilian topped the utility list with a gain of 1 3-8 to 10 3-8. Shawinigan moved up 1-4 but Montreal Power and Power Corporation held even. In construction, Steel of Canada, generally was featureless, barring and United Steel firmed 1-2 and fractional gains for Dryden, Price Brothers and St. Lawrence Corporation. Total sales: 94,300 shares; industrials, 29,400; mines 64,900; bonds, \$16,550. When an earthquake occurred in Manila during 1937, telegraph wires brought the news to America before the shock waves reached American seismicological stations.
